EVENT PARTNER

Education Perfect

Education Perfect / EdPotential

EdPotential is the whole school data analytics platform used to track everything from NCEA results, through to attendance, all at individual up to whole school level. It shines a floodlight down the dark halls of your SMS, like Kamar, along with other data sources like NZQA, e-asstle and PaCT. EdPotential is a new company under the Education Perfect portfolio.

Education Perfect is an NZ born and bred Ed-Tech company, headquartered right here in Aotearoa, New Zealand. We engage learners, while creating efficiencies for educators, freeing up teachers to be with students, rather than spending excess time on curriculum delivery. With over a million learners and 100,000 teachers, Education Perfect is the tried and tested whole learning package, leveraging technology to give detailed insights into learners. Our company now has over 80% of its schools, learners and educators overseas. But, we're proudly committed to bringing leading edge learning resources and tools to our special NZ contexts.

MAJOR SPONSORS

PPTA Te Wehengarua

PPTA Te Wehengarua is the professional association and union of teachers and principals committed to improving secondary education for New Zealand students. We welcome principals and senior leaders as members of the PPTA and offer support and practical advice.

Cyclone

Cyclone believes the way for the country to grow is to have an effective education system. We want to contribute to the growth of a more equitable and innovative Aotearoa New Zealand society by removing barriers to positive learning outcomes and enable student success. And do it in a sustainable way.

We provide education focused products and services from leading local and global brands, at educational pricing. Using our global relationships and strategic thought leaders, we work with schools to identify the best solutions for their pedagogy.

Tes Institute

Tes powers schools and enables great teaching worldwide, by creating intelligent online products and services to make the greatest difference in education.

Tes products play a critical role helping teachers and school leaders deal with the challenges of teaching, including staff wellbeing, smarter timetabling, recruitment, career support, and more. This dedication and focus supports educators across the globe in providing high quality education to millions of children using smart, flexible, and cost-effective solutions.

Evaluation Associates

Evaluation Associates | Te Huinga Kākākura Mātauranga offers a wide range of services to the education community. We work with schools, kura, Kāhui Ako and clusters to improve school leader and teacher practice in ways that have a demonstrable impact on ākonga achievement.
