

AMAGA NATIONAL CONFERENCE

HEAR. US. NOW.

14-17 JUNE 2022, PERTH

ABSTRACT SUBMISSION

ABSTRACT TITLE:

Building Belmont Hub

ABSTRACT CONTENT:

This tour and presentation will introduce visitors to the award-winning Belmont Hub, a modern multi-purpose, cross-generational community building featuring a library over two levels, digital hub, Seniors Hub, dedicated space for community service organisations, artists' space gallery and a state-of-the-art museum. Belmont Hub is a landmark building with a unique architectural style and prominent location on Wright Street, Cloverdale in the City of Belmont. Belmont Hub was designed with community in mind, ensuring that the local community was provided with a space that embodies commitment to learning and innovation. The Hub won the Social and Community Infrastructure Award in the Urban Development Institute of Australia - Western Australia Awards for Excellence (2021), the National Master Builders Association National Entertainment and Recreation Facility Award (2021) and was recognised as a finalist in the 2021 WA Heritage Awards and highly commended in the 2021 ALIA Library Design Awards. Belmont Hub is also the fourth local government project to achieve a 6 Star Green Star (Public Building) Design and As Built certification. After a tour of Belmont Hub, discover more about the process of designing and building the facility, incorporating a legacy of over 30 years from the Belmont Historical Society into a welcoming and contemporary Museum space.
