Collaborate Innovate 2023 Sponsorship

Cooperative Research Australia, the national association for industry-research collaboration, is pleased to offer you the opportunity to partner in the leading event connecting those involved in industry-research collaboration and commercialisation, including Cooperative Research Centres (CRCs), CRC –Projects (CRC-Ps), post-CRC entities, Trailblazers, Rural Research and Development Corporations, Growth Centres, ARC Industrial Transformation Research Hubs, Drought Resilience Adoption and Innovation Hubs and research institutions as well as other collaborative research entities, government, media and associated businesses, and alumni.

Dear Potential Partner

It gives me great pleasure to invite you to participate in Cooperative Research Australia's 2023 annual conference 'Collaborate Innovate' in Adelaide from 10 -12 July 2023. We are looking forward to seeing you in person to address the critical issues and opportunities for industry research collaboration to drive future prosperity for Australia.

Our theme for 2023 is Industry Research Collaboration for Sustainability and Prosperity.

Our Sponsorship Prospectus aims to allow you to choose how best to work with us in achieving our mutual goals of furthering knowledge and practice of research collaboration in Australia.

Planning of the program is well underway, and promises to be one of a kind, offering a diverse platform of leaders in industry research collaboration in Australia and the world. Our conference is an excellent opportunity to network and connect with industry leaders in the field of industry research collaboration hear and share in the success stories and stimulate discussion and drive change across industry research collaboration in Australia.

The premier social event of the conference, our Gala Dinner and Excellence in Innovation Awards is a great opportunity to catch up with colleagues and friends in person and celebrate the achievements of those leading innovation.

The exhibition of our industry partners is an integral part of the conference, presenting the opportunity to raise their profile and liaise directly with delegates. The exhibition is the central hub with delegates meeting to enjoy the catering and engage during the day.

I look forward to welcoming your participation at Collaborate Innovate 2023.

Jane O'Dwyer
CEO – Cooperative Research

About Cooperative Research Australia

Cooperative Research Australia is the voice of industry-research collaboration and advocates for the translation of research into commercial, economic, social, and environmental outcomes that benefit all Australians. Our members are the lynchpin in the Australian innovation system and are focused on creating new products, services, industries, and value in our economy. CRA represents Cooperative Research Centres (CRCs) and their spinoff/successor entities, CRC –Projects grant participants, 30 universities and research institutions, as well as other industry-research collaboration entities, associated businesses, alumni and professionals, strengthens and promotes the transformative potential of collaborative, industry-led research through knowledge exchange, professional development, and advocacy.

Cooperative Research Australia supports Australian innovation, connecting research organisations and industry with private and public funding, data and insights, partnerships and best practice. We guide our members as they navigate the complex needs and changing dynamics of industry-research collaboration, by sharing expert advice, experience and resources.

Our education, events and advisory services build the capability of industry and research organisations to participate in collaborative research, shape Australia's future leaders, and develop the integrity of cooperative research as a discipline. Our communication, engagement and advocacy, recognises and promotes the value our members create and Australia's innovation potential to government, industry and our communities, locally and globally.

Who should attend?
