

SPONSORSHIP APPLICATION

Australian Infrastructure Summit and Earth Awards

21st – 22nd November 2024

Please complete this form and return to ccfnat@civilcontractors.com

On behalf of Civil Contractors Federation nationally we extend a warm welcome and invite our members to attend and play a supporting role in the CCF Australian Infrastructure Summit. Our theme for 2024 is “**CCF Members Connecting, Collaborating and Constructing Great Australia Communities**” and we will host international and local experts, along with thought leaders to inform and share best practice on civil infrastructure in the national capital..

‘CCF Members Connecting, Collaborating and Constructing Great Australia Communities

We will bring together a diverse array of international and local experts, thought leaders, and industry professionals to share best practice and insights on civil infrastructure and the vital role it plays in creating Australian communities and is first principle in solving the housing crisis, reducing the cost of living and making the energy transition. Together, we will explore innovative strategies and solutions that will shape the future of infrastructure and community in Australia.

The National Earth Awards and Civil industry dinner, which is part of the Summit, will be held also at QT and our Welcome Cocktail Reception at National Museum of Australia. The CCF Australian Infrastructure Summit provides an excellent opportunity for Contractors, Associates, thought leaders and decision makers from our sector, industry, and government to exchange international, national and local best practice in delivering and maintaining civil infrastructure.
