# Invitation to Partner

Catholic Secondary Principals Association of Western Australia is excited to host the Catholic Secondary Principals 2024 National Conference to be held 14 – 16 July at the Crown Perth in Boorloo | Perth Western Australia.

We invite you to collaborate with us in our effort to enhance the purpose, quality and effectiveness in leading our Catholic secondary schools by supporting our National Conference. Our aim is to attract over 200 Catholic Secondary school principals to the event in addition to deputy principals and those working in school improvement.

In the lead up to the conference, and over the two days, your organisation will receive acknowledgement in the program, promotional material, website, delegate app, and through the exhibition, and most importantly an opportunity to showcase your product/service and commitment to Catholic education.

Our vision for the program development is to:

- Dream boldly, envisioning a future where Catholic education continues to instil values, promote critical thinking, and inspire a sense of purpose in the hearts and minds of our students.
- Allow Principal's to share their experiences and expertise, learn from the vast array of knowledge and alternate perspectives from other delegates.
- Enable thought-provoking discussions to help shape the future of Catholic education ensuring it remains a beacon of hope and wisdom for generations to come.

Whilst we are already leading the journey to shape the future of Catholic education, grounded in our faith, the conference will take us on a deeper journey of innovation, imagination, and collaboration.

It will bring together education leaders to showcase their stories on a range of topics connected to Catholic education and school improvement.

We look forward to partnering with your organisation, either through financial support or in offering services or opportunities to those for whom the conference is being planned.
