## Vaccine pass required for anyone attending a UFBA event

The UFBA has taken steps to increase safety protocols and minimise potential impacts on our events and participants, giving us the best chance to proceed as planned.

Under the Government's COVID-19 Protection Framework (CPF or traffic light system) where vaccine certificates are used, there are no limits on indoor or outdoor events, unless the area is in "Red" status. Many venues across New Zealand have also made vaccine certificates a requirement and the Health Order mandates all firefighters to be vaccinated.

This means that the UFBA must require vaccine certificates for anyone attending our events. This decision has not been made lightly, however in order to provide some degree of certainty and safety for everyone, it is the only viable option at this stage.

## Accessing your vaccine pass

All personnel entering the event, including supporters and officials, will be required to present their valid vaccine certificate and ID upon arrival.

Your vaccine certificate can be accessed through My Vaccine Pass - which is the official record of your COVID-19 vaccination status for use in New Zealand. There are three ways you can get your My Vaccine Pass - online, over the phone or in person at a pharmacy. Scan the QR code to view more information and instructions.

Flights and accommodation are non-refundable, therefore if you do not have a valid vaccine certificate and we have booked your travel, you will be liable for the costs of any bookings made.

## Learning Symposium

One of the unique benefits and requirements of attending UFBA National Challenge Events is completing a learning symposium. This year, we are not currently in a position to effectively deliver this to our competitors due to venue restrictions.

We understand the learning value that these opportunities hold and if this should change, we will advise registered personnel as soon as possible.

## ISLAND & NATIONAL CHALLENGES

### FUNDING

This funding chart applies to both Island and National Challenges.

All UFBA Firefighter Combat Challenges will be funded for Individual Competitors and for ONE Tandem and ONE Relay team per UFBA Member Brigade. You are more than welcome to register additional Relay and Tandem teams but only one will be funded and you will be responsible for all costs for any additional team.

If your Tandem and/or Relay includes already funded Individuals and there are other Tandem or Relay teams in your Brigade, funding may be passed over to them with written approval from the UFBA Events Team.

The chart below will assist you in clarifying how the funding is distributed.

## REIMBURSEMENT - EXPENSE CLAIMS

(UFBA FUNDED COMPETITORS ONLY)

The chart and information below describes what you are eligible to claim back, and HOW to claim back. In your final information email, and your confirmation of registration, you will be sent an expense claim to fill out.

**You must include GST receipts.**

- One Expense Claim per team will be accepted.
- Even if you know what your expenses will be, expense claims are not reimbursed until after the Challenge.
- Expense claims are due in no later than one calendar month from the conclusion of the attended Challenge.
- The relevant date will be on the top of the expense claims and **no exceptions will be made** for forms that are received at the UFBA Office later than the stipulated date.
- Meals provided during the course of the Challenge will not be reimbursed.

Please include as much information in relation to your expenditure as possible on your Expense Claim form.

### IF YOU HAVE NOT FILLED IN YOUR EXPENSE CLAIM CORRECTLY...

It will be returned to you and will not be processed until we get it back correctly filled in with ALL applicable GST receipts.

### IS THERE ANYTHING I CAN'T CLAIM BACK?

At any of our challenges, unless otherwise stated, the UFBA does not reimburse for loss of wages, excess baggage, laundry services, hotel room service, airline loyalty club visits, car or trailer rentals, alcohol, taxis, valet parking, mileage accumulated for the duration of the challenge, registration fees, partner costs, or meals on nights where UFBA has already organised functions.

If you are unsure, please contact [events@ufba.org.nz](mailto:events@ufba.org.nz) to get clarification or prior approval before booking anything that you think you will be claiming that might fall outside of the normal allowances.

## NOT QUALIFIED FOR ANY FUNDING OR REIMBURSEMENT

- Composite teams - made up of members from different Brigades
- Teams that have not competed in a North or South Island Challenge who wish to attend Nationals (unless you receive exemption from the UFBA Technical Panel)
- Individuals competing in an Island event that is outside of their own Island.
- Partners and Observers

It is at the discretion of the UFBA Events Manager and Challenge Panel to restrict funding and/or numbers where necessary in order to fairly benefit all Member Brigades that wish to participate. Please remember, not only are we restricted by funding, we are also restricted by the number of runs we can have on the Challenge day(s).

### TRAVEL, MILEAGE & TRANSFERS (UFBA FUNDED COMPETITORS ONLY)

#### DRIVING VS FLYING

We recommend that you drive to Challenges if this is the most cost-effective way of travel. We also encourage both Officials and Competitors to travel together where possible. If you believe that you require flights, please contact the UFBA Events Team to discuss your best option. Should you be eligible for funded flights, you will then be sent flight options through Gilpin Corporate Travel.

If you choose to drive when it is cheaper to fly, you will be reimbursed mileage to the value of an average Seat+Bag fare as advised by Gilpin Corporate Travel post-challenge. Where you choose to drive when flying is a better option and require additional night(s) accommodation, you will need to fund this yourself. This means the same UFBA-secured accommodation rates cannot be guaranteed. The UFBA will use discretion to reimburse travel for the most cost-effective method of transport, regardless of how you choose to travel. Please do keep this in mind to avoid disappointment.

#### FLIGHTS (WHERE APPLICABLE)

Please indicate during online registration if you require flights and Gilpin Corporate Travel will provide you with flight options. Once options are given, you will have 24hrs to respond to your confirmation email and alter these flights – otherwise they will be booked for you. Flights are strictly non-transferable and non-refundable. If you choose to book your own flights, best available fares should be booked at all times and if you choose to book more expensive flights, you will be required to pay the difference in cost.

#### Accompanying and non-UFBA funded travellers

The UFBA encourage you to use Gilpin Corporate Travel and flight bookings should be made at the time of registration. We ask that all flights be booked no later than one week after receiving confirmation of your registration. This will ensure your flight is the most cost-effective. If you have any issues with flight booking on the website, please contact Gilpin Corporate Travel.

#### MILEAGE

Mileage will be paid at rates consistent with Fire and Emergency NZ policy and will be calculated from the centre of your town to the centre of the hosting town as per Google Maps. If you are a Tandem team competitor, you will be reimbursed for mileage of one vehicle only and reimbursement for a Relay team is up to a maximum of two vehicles. Mileage during events will not be reimbursed.

#### TRANSFERS ALL ATTENDEES USING OUR TRANSFER SERVICES WILL BE REQUIRED TO PRESENT THEIR VALID VACCINE CERTIFICATE AND ID

##### Airport Transfers (where applicable)

Transfers between the airport and the event venue will be automatically arranged by the UFBA in accordance with the flight reports obtained by Gilpin Corporate Travel. If you intend to book your flights through another travel provider, it is your responsibility to get your flight details through to [events@ufba.org.nz](mailto:events@ufba.org.nz) no later than 14 days before the Challenge date if you wish to be included in airport transfers. Transfer lists will be included with your final information email.

##### Island Challenge transfers

It is assumed that you will have your own transport during an Island Challenge and therefore limited transfers will be available on Challenge days. Transfer lists will be included with your final information email.

##### National Challenge transfers

All accommodation is within walking distance to the Challenge venue so there will be no transfers on Challenge days.

##### Prizegiving transfers

Transfers will be available to take you to and from Prizegiving dinner. Transfer lists will be included in your final information email.

## INTERNATIONAL COMPETITORS

The UFBA Firefighter Combat Challenge often draws great interest from international competitors, which provides networking opportunities, knowledge-sharing, and camaraderie. It is with regret however, that in light of uncertainties and risks associated with the ongoing global pandemic, we have made the hard decision to not extend the invitation to international competitors in 2022. We hope to be able to welcome our international friends in 2023.
