

ANCOLD 2021 TAILINGS DAM OPERATORS FORUM

GLADSTONE, QUEENSLAND
12-14 MAY 2021

Your opportunity to partner with ANCOLD
SPONSORSHIP DOCUMENT

INVITATION TO SPONSOR

The ANCOLD 2021 Tailings Dam Operators Forum will be held at the Oaks Grand Hotel in Gladstone, Queensland. This location, at the gateway to the Great Barrier Reef is Queensland's industrial hub due to its proximity to inland mining operations and Queensland largest multi-commodity shipping port.

Given the significant focus and ongoing global commitment to improve the management of tailings, this forum provides operators the chance to network, share and learn from peers.

As a 'non-competitive' part of each mining company's business, the operational aspect of tailings dams is the most critical (and often overlooked) contributor to improving the overall management of tailings from concept design to closure and beyond.

This forum is a truly unique sponsorship opportunity for organisations with an interest in the tailings dams sector to not only show support of ANCOLD and its initiatives, but to also directly reach a very specific target market.

Your support for this forum will be a visible demonstration of your organisation's commitment to better tailings management practices, to an improved understanding of tailings behaviour and to developing approaches that help secure the future of responsible mining.

During the forum you will meet and network with practitioners, regulators and mining industry personnel with a common interest in tailings dam risk.

Align your organisation with ANCOLD in ensuring that Australian tailings practitioners have access to the most recent information and that our Guidelines help Australian industry employ appropriate practices in the design, construction, operation and closure of our tailings dams.
