Aotearoa NZ Perioperative Symposium

Tuesday 5 November, 2024 Whenua Pupuke, Education Centre North Shore Hospital

0745-0820 Registration Open

0740 0020		
	Session 1: Opening Plenary	Chair: Dr Kate Hudig
0820	Welcome and opening address	Dr Daniel Chiang, Anaesthesiologist
0825	ANZCA Chapter of Perioperative Medicine	Dr Nicola Broadbent, Anaesthesiologist
0845	Perioperative risk stratification and optimisation	Prof BobbieJean Sweitzer, Anaesthesiologist and Physician
0910	Gastric POCUS	Dr Nav Sidhu, Anaesthesiologist
0935	NSH model of care fractured hips	Dr Min Yee Seow, Orthogeriatrician
1000-1020	Morning Tea	
	Session 2: Preoperative Considerations	Chair: Dr Kate Hudig
1020	Perioperative cognitive dysfunction	Dr Roisin Coary, Geriatrician
1045	The role of regional anaesthesia in preoperative care	Prof Ki Jinn Chin, Anaesthesiologist
1110	Prehabilitation	Dr Hannah Van Waart, Exercise Scientist
1135	Nutritional Status and Perioperative Outcomes	
	Short communications and moderated panel discussion	Moderator: Dr Manoja Kalupahana
1135	Perioperative nutritional status	Prof Andrew Hill, General Surgeon
1145	Sarcopenia and myosteatosis	Dr Phyllis Phukubye-Johnson, Anaesthesiologist
1155	Assessment of nutritional status in the perioperative period	Dr Sharon Wu, Dietitian
1205	Panel Discussion : Prof Andrew Hill, Dr Phyllis Phukubye-Johnson, Dr Sharon Wu	
1205	Turiot Diodection : 1 Totaliaron Tina, Di Triguio Trianabyo Solimoon, Di onaron Wa	
1230-1315		
		Chair: Dr Kate Hudig
	Lunch	Chair: Dr Kate Hudig Dr Karen Park, Anaesthesiologist and Pain Physician
1230-1315	Lunch Session 3: Medicine Update	
1230-1315 1315	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective	Dr Karen Park, Anaesthesiologist and Pain Physician
1230-1315 1315 1340	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist
1230-1315 1315 1340 1405	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist
1230-1315 1315 1340 1405	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist
1230-1315 1315 1340 1405 1430	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White
1230-1315 1315 1340 1405 1430	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology
1230-1315 1315 1340 1405 1430 1440	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist
1230-1315 1315 1340 1405 1430 1440 1450	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist
1230-1315 1315 1340 1405 1430 1440 1450 1500	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist
1230-1315 1315 1340 1405 1430 1440 1450 1500	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer Afternoon Tea	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist Prof BobbieJean Sweitzer, Anaesthesiologist and Physician
1230-1315 1315 1340 1405 1430 1430 1440 1450 1500	Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer Afternoon Tea Session 4: Care Bundles and New Evidence	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist Prof BobbieJean Sweitzer, Anaesthesiologist and Physician Chair: Kate Hudig
1230-1315 1315 1340 1405 1430 1430 1440 1450 1500 1525-1545	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer Afternoon Tea Session 4: Care Bundles and New Evidence ICU update (role of ICU in routine perioperative care)	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist Prof BobbieJean Sweitzer, Anaesthesiologist and Physician Chair: Kate Hudig Prof Joyce Yeung, Anaesthesiologist
1230-1315 1315 1340 1405 1430 1440 1450 1500 1525-1545 1610	Lunch Session 3: Medicine Update Perioperative care of substance abuse - Pain specialist perspective Novel medications in type 2 diabetes Anticoagulants, antidotes and antipasto The Highs and Lows of Blood Pressure Short communications and moderated panel discussion Latest in BP physiology Perioperative management of BP Goldilocks of perioperative BP management Panel Discussion: Dr Hari Talredja, Prof Julian Paton, Prof BobbieJean Sweitzer Afternoon Tea Session 4: Care Bundles and New Evidence ICU update (role of ICU in routine perioperative care) Recovery room enhanced care package for fractured NOF patients	Dr Karen Park, Anaesthesiologist and Pain Physician Dr Jasmine Tan, Endocrinologist and Nephrologist Dr Eileen Merriman, Haematologist Moderator: Dr Catherine White Prof Julian Paton, Professor of Translational Physiology Dr Hari Talredja, Nephrologist Prof BobbieJean Sweitzer, Anaesthesiologist and Physician Chair: Kate Hudig Prof Joyce Yeung, Anaesthesiologist Ms Jenny Sung, PACU Nurse
