POLAR CIRCLE
MARATHON & HALF MARATHON
24-25 OCTOBER 2020

Ice as far as the eye can see. Incredibly fresh air. Musk oxen and arctic foxes on the stark landscape of the arctic tundra.

Yes, we are in one of the most remote corners of the world: Greenland. Feel the soft crunch of snow beneath your shoes while running through the arctic desert and over the Greenland Ice Sheet as you immerse yourself in rare and exceptional natural beauty... what more could we ask for?
