Call for Abstracts & Registration

Welcome

Welcome from the Meeting Organising Committee

It is with great pleasure I invite you to be involved in the 2023 USANZ WA State Section Meeting to be held at The Westin, Perth commencing Friday 20 and concluding Saturday 21 October.

Our International Guest Presenter is Prashant Patel, with Invited Guest Presenters Tim Clay, Renu Eapen, Eve Tiong, and Bhavya Vora.

The Saturday evening dinner will be held at Picada and promises to be an exciting evening complete with music and fantastic food.

I look forward to welcoming you all to the meeting, which will, with everyone's contribution and involvement provide both a strong educational program and pleasurable experience for delegates and families alike.

Alexandra Hockings

2023 USANZ WA Convenor

Registration

The conference has a dedicated secure 24 hour online registration website at your fingertips. Access enables you to update your details instantly.

Visit www.tayloredimages.com.au click on "events" scroll to the events schedule and select your conference. To register delegates should select 'Register Online'. At this step select 'Submit your Abstract' if submitting an abstract.

Upon completion of the registration process you will be automatically supplied with a summary & confirmation of your registration.

Please note all documentation for this conference is correct at the time of publication. However, Taylored Images & the Urological Society of Australian and New Zealand (USANZ) reserves the right to change dates, the program and speakers without notice as a result of circumstances beyond its control.

Guest Presenters

Prashant Patel

Prashant was jointly appointed in 2010 at the University of Birmingham (UoB) and QE Hospital as a clinical academic after completing a year's fellowship in Perth. He was head hunted and appointed at University College London Hospitals (Urology Dept. World Rank 7, Newsweek 2023) UCLH and Royal National Orthopaedic Hospital (RNOH) in Nov 2022 as an Advanced Pelvic and Retroperitoneal Surgeon. His clinical interests are in pelvic cancers and complex abdominal surgery. His dual surgical and urological training has enabled him to conduct complex and technically demanding open operations. He routinely conducts multi-specialty complex operations/reconstructions of the genito-urinary tract involving other specialties viz. Colo-rectal, Sarcoma, Orthopaedics, Gynaecology and Obstetrics on patients referred within and outside regional networks. He single handedly provided RPLND service for over a decade in the Midlands. He is a champion in promoting and learning from individual surgical outcomes.

Tim Clay

Tim is a medical oncologist with specialty interests of lung, breast, genitourinary cancers (prostate, kidney, bladder and testis) and colorectal cancers. He graduated from University of Western Australia with Honours and undertook basic physician training at Royal Perth Hospital. He undertook his specialist training at University Hospital Geelong and St Vincent's Hospital Melbourne. Tim completed a doctoral thesis on lung cancer pathology through the University of Melbourne and possess a Doctor of Medical Science (DMedSc). In addition to clinical practice he enjoys advancing cancer care through clinical trials of new therapies and supportive care interventions like exercise. He is also active teaching junior doctors, nurses and allied health staff. He is the Co-Chair of the Bendat Respiratory Research and Development Fund in conjunction with Prof Eli Gabbay.

Renu Eapen

Dr Renu Eapen is a Consultant Urologist who privately consults at Cancer Specialists. Dr Eapen also consults and operates at the Peter MacCallum Cancer Centre. Renu has a special interest in the surgical and non-surgical management of prostate cancer, as well as kidney and bladder cancers. She is trained in open, laparoscopic and robotic approaches to cancer surgery. She is also trained in the treatment of benign conditions such as benign prostatic hyperplasia (BPH) and kidney stones. Additionally, she has an interest in the treatment of voiding dysfunction in men and women and subspecialty training in performing urodynamic studies and various procedures for female urinary incontinence as well as male slings and the insertion of artificial urinary sphincters.

Eve Tiong

Dr Tiong is a highly experienced radiation oncologist based at Icon Midland and Icon Rockingham. After completing her Bachelor of Medicine and Bachelor of Surgery (MBBS) at the University of New South Wales, Dr Tiong established her oncology career at Singapore's National Cancer Centre and National University Hospital in 2009. She returned to NSW to continue specialist training in radiation oncology at Liverpool Hospital in Sydney and The Canberra Hospital and was awarded fellowship to the Royal Australian and New Zealand College of Radiologists (FRANZCR) in 2015. She then undertook a specialist fellowship at Princess Margaret Hospital in Toronto, Canada, where she further perfected her skills. Dr Tiong has training in advanced techniques including stereotactic radiation therapy (SRS/SABR) with intrafraction tracking, MRI simulation, and image guided radiation therapy (IGRT). She was instrumental in progressing the availability of these techniques for patients attending Icon Cancer Centre Midland and Rockingham.

Bhavya Vora

Bhavya is a Fellow of Human Genetic Society of Australasia (FHGSA), board certified genetic counsellor with years of experience in hereditary cancer genetics, which is his area of specialization. He also conducts regular clinics in public health at Genetic Services of Western Australia. His bachelor's degree in biotechnology and master's degree in medical genetics provide him with an in-depth understanding of genetics and the associated testing methods. His second master's degree in genetic counselling enables him to discuss medical and psychosocial aspects of genetic testing. Bhavya uses analogies to explain the complex nature of genetics. This offers a comprehensive understanding of genetic testing process to his clients diagnosed with cancer and/or those with a family history.

CPD

The 2023 Urological Society of Australia & New Zealand's Western Australia State Section Meeting will be submitted for accreditation with the Royal Australasian College of Surgeons for points towards 2023 CPD totals.

General Information

Conference Registration Cancellation & Refund Policy

A **cancellation fee of AUD\$200.00** applies for registration cancellations prior to **Friday, 15 September 2023**. **No refunds** applicable for cancellations after **Friday, 15 September 2023**.

Liability / Insurance

Registration fees do not include insurance of any kind.
