## PROGRAM DESCRIPTION

**DESCRIPTION:** This innovative online certificate program is designed to explore the various components necessary to develop and run simulation scenarios within an academic or clinical setting.

**WHO:** Any nurse practicing in an education role who is interested in developing or working in a simulation program. This would be applicable to nurse educators in academia or healthcare facilities, preceptors, mentors, or staff nurses who are interested in learning more about this teaching pedagogy.

The content will provide the nuts and bolts of simulation to include how to assess educational needs, develop, implement and evaluate simulation experiences.

**WHAT:** In order to receive this 60-hour certificate (equal to 60 contact hours), completion of the four modules is required. Each module is 15 contact hours and is taught in an online format: 6 hours virtual live webinar, 9 hours online utilizing discussion boards and case studies, and required reading over the course of 4 weeks in an asynchronous manner.

**CANCELLATION:** A \$30 processing fee will be charged when cancelled at least 7 business days prior to conference. No refunds given with less than 7-day notice.
