**UT Competition Level:**

Choose the appropriate competition level.

**Flight 1 Competitor – 1 November 2022 | 8:00 a.m. – 12:00 p.m. (CT)**  
 Open to current or recently graduated NDT trade school, technical school, college, or university students. The intent is that the candidates have completed the school's UT coursework and are proficient in ultrasonic straight beam corrosion scanning and shear wave scanning for weld defects. Flight 1 competitors are **not** certified Level II technicians.

**Flight 2 Competitor – 1 November 2022 | 1:00 p.m. – 4:00 p.m. (CT)**  
 Open to current NDT Level II's from any NDT service provider. The candidate should have a UT level II certification to SNT-TC-1A/CP-189 or ISO 9712 and at least five (5) years of experience in ultrasonic straight beam corrosion scanning and shear wave scanning for weld defects. Flight 2 competitors are **not** Level III certified professionals.

## Conference Registration

Conference registration is required. If you are only attending ASNT2022: The Annual Conference to participate in the UT competition, you will be provided a complimentary exhibit hall pass.

You can sign up to volunteer at the annual conference to receive a complimentary conference registration,. ASNT Event Ambassadors assist in making the ASNT annual conference a reality. ASNT Event Ambassadors agree to work six (6) hours, before or during the conference, in exchange for conference registration. Space is limited. Learn more about conference volunteer opportunities [here](#).

Email conference registration and volunteer questions to [rstaat@asnt.org](mailto:rstaat@asnt.org).

## Submit Application

**Application:** Fill out the application form in its entirety and email by 15 August to [utcompetition@asnt.org](mailto:utcompetition@asnt.org). Incomplete applications will not be processed.

Email any questions to [utcompetition@asnt.org](mailto:utcompetition@asnt.org). **Please do not submit your application more than once.**
