

BCA DEATH AND MISSING PERSONS INVESTIGATION CONFERENCE

April 10-12, 2024 | Breezy Point, MN

*Learn from Minnesota's leading forensics
and investigative experts!*

The BCA is proud to host one of the top conferences for Minnesota law enforcement, bringing you a range of topics, case studies, and trending issues in death and missing persons investigations.

Conference Topics include:

- Amber Alert Expectations
- Investigative Techniques for Cold Cases
- Forensic Toxicology and Overdose Deaths
- Google Returns
- Maximizing the Power of Historical Cell Provider Location Data
- NIBIN
- Firearms K-9 Tros
- *and more!*

Attendees will leave the conference with a better understanding of criminal investigations and how to avoid predisposed assumptions and theories at the onset of investigations, along with the value of forensic evidence.

AUDIENCE

Sworn Law Enforcement and law enforcement affiliates.

POST CREDITS: 14
REGISTRATION: \$300

Registration fee includes conference materials and selected meals. Lodging is not included.

**Conference topics and sessions subject to change.*
