

# Qualified Settlement Funds

with  milestone®

A qualified settlement fund (QSF) is a critical part of the post-settlement process for many case types. Milestone is a high-touch QSF administrator that works to ensure each distribution process happens as efficiently as possible.

## Your partner after settlement

Milestone serves as firms' go-to administrative solution, customizing our approach to each litigation. Our solutions team fields client inquiries, and our settlement planning team educates on government benefits preservation.

## Efficient distribution

Our tech replaces tedious paperwork, and our team provides meticulous management.

## Digital payment methods

Claimants who use our Pathway® platform have access to a variety of options to receive their settlement funds.

## Organized accounting

Milestone handles direct-to-client payments via both Pathway and paper checks and provides all the data law firms need.

Choose administration that's dependable, efficient, and agile.
