LEVEL OF EXPERIENCE WITH ACADEMIC COMMUNITY ENGAGEMENT

- I have overseen student(ss) whose work has involved a community project through one of more these: capstone; internships; research project; practicum; or co-op.
- I have taught one service learning class.
- I have taught two or more service learning classes.
- I am new to academic community engagement.
- Other (describe):

I have an idea for a service learning class or other engaged learning opportunity. Here is a brief description:

I need assistance:

Understanding academic community engagement/service learning in general.

Understanding how to incorporate academic community engagement/service learning into my course.

Finding one or more community partners.

Other (describe):

Optional: Here is some additional information about my request:

I would like to set a meeting with the Scripps Howard Center for Civic Engagement to discuss my idea; here are some best times/dates for me:
