### How to Attend:

- Each registrant will receive a link to the event via the email they provided through registration. This will be sent Wednesday, September 23, 2020.
- Young Women LEAD Live! can be viewed from any internet-connected device (smartphone, computer, laptop, Chromebook, iPad, etc.)
- **Viewing suggestions:**
  - Young Women LEAD Live! could be shown in a school gym, auditorium or other large space that allows students to attend together, but socially distanced.
  - Alternatively, students could individually log into the event using individual devices and headphones.
  - The event could also be broadcast from a community center, local business, or library.
  - Schools can permit students to attend from home. Young Women LEAD can provide a certificate to all attendees confirming their attendance. Active participation and giveaways will happen throughout the event. The more involved, the better your chances of winning the giveaways.
