

# Digital Interactive Notebooks Participant Information

**Presenter:** Dave Shellhaas, Director of Curriculum, Midwest Regional ESC

**Session Info:**

- Tuesday, February 13, 2018
- 9 AM - 12 PM

I look forward to meeting those of you who will attend this session. There is no handout or notes for this session since you will receive the link to the presentation and all slides and info shared in the session via a link at the beginning of the session.

**If you plan to attend this session, there are some important things you must do before you attend:**

- Bring laptop or Chromebook
- Have access to a private or school Google account.
- If you use a school Google account, you must be sure the district's Google administrator has allowed the sharing of resources from Google accounts outside your school's domain.
- Have a basic proficiency of using Google apps (Google slides, Google docs, Google drive, etc.)
