

PROJECT MANAGEMENT PROFESSIONALS COMMUNITY OF PRACTICE

Bi Weekly Digest Vol 1 Issue 6

April 11, 2022

Here comes the sun.....

"Spring is the time of plans and projects." — Leo Tolstoy

May the sun shine blessings and warmth on you, your family, your coworkers and your projects. We hope this time of new beginnings and fresh starts brings you success on all your projects, personal and professional. 🌻

If you have any suggestions for resources that you believe will benefit the community or topics that you are looking for more information on, please let us know!

Happy Project Managing!

APRIL 2022 MONTHLY WEBINAR

Please mark Thursday, April 28, 2022, 11:00 AM on your calendar for our April 2022 webinar so that you don't miss it.

We are happy to announce that we will have Scott Robley, Master Trainer from Crucial Learning, giving a presentation on how CL's [Crucial Conversations for Mastering Dialogue](#) training can help you have those difficult conversations productively with good outcomes. I (Kris Lynch, Community Moderator) have taken this training in the past and highly recommend the lessons that they teach as part of the curriculum. Scott will provide a couple different takeaways during the presentation that you can start using in your home or work life right away. Please visit [Crucial Learning's website](#) for this great training to find out more.

If you missed our February 2022 Webinar, you can view it [here](#).

Upcoming Training Opportunities

[Project Management Fundamentals \(SUNY Center for Professional Development\)](#) - A class is being held in April 2022. The course is designed to teach the fundamentals of project management to SUNY employees. More details and registration for this course are [available here](#).

[Advanced Project Management \(SUNY Center for Professional Development\)](#) - A class is being held in May 2022. More details and registration are forthcoming. Please keep on eye on the Course Offerings section of this website for more information.

Articles of Interest

[PMI's 2022 Jobs Report](#)

Even in the face of ongoing economic uncertainty, one thing is clear: Job seekers are in control....How might all that impact your career? Explore a region-by-region deep dive into the hot sectors and emerging trends driving demand for project leaders around the world. (PMI, pmi.org, 2022)

[Attract Better Candidates by Promoting Upskilling Programs](#)

Hiring good PMs is a problem for most organizations, but less so for some. If you are having difficulty filling positions, you should check out the new [PMO Maturity report](#) from PMI, where there is a discussion about the top tier of PMO organizations and what they do to have less of a problem recruiting. Simply put, the top 10% of PMOs are able to make a strong case for project managers to work in their organization because they can communicate desirable programs in their recruiting communications. The desirable programs represent what today's project managers want from their employers: Upskilling programs within an organization that has a learning mindset; mentoring and other support specifically targeted to project managers.(PMI, Joe Wynne, 04/06/2022)

[6 Real Project Managers Show You How To Manage Multiple Projects](#)

Managing lots of projects at the same time is tough. Here's how 6 project managers stay on top of multiple projects – and keep their sanity. It was fun to talk to them to find out more about their tactics – the tip from Christine about diary management is definitely going to change the way I plan my week. (Rebels Guide to Project Management, [Elizabeth Harrin](#), 03/19/2022)

Webinars To Watch

Don't forget to visit our [PMP CoP YouTube Playlist](#) to view all of our previous Monthly Webinars that we have held. If you have a particular topic that you are interested in for a future monthly, please let us know by emailing krista.lynch@suny.edu.

[Office 365 Key Tools Demo](#)

Did you know that recent studies show that companies with female leaders outperform those dominated by men? But not just any female leaders. Transformational Leaders. Transformational women leaders drive change by redefining work, leadership, and diversity through a commitment to learning and organizational success. She empowers others while working towards building an inclusive workplace culture. She knows her worth and is supported by mentors, networks and alliances. (Learning Tree International, Inc.)

[The Experience Culture – Pathway to Project Management Evolution](#)

All companies sooner or later may come up with a few brilliant ideas that lead to success. But the companies that are highly successful have a continuous stream of brilliant ideas largely due to a culture which supports innovation and creative problem-solving. This webinar will explore the critical changes that organizations are facing as they shape their future experience culture. The pathway of project management evolution is built on the strategic value project management is taking and this is leading to rethinking operational models, ways of working, and the next mindsets.

[Implementing Effective Risk Response Strategies on Your Projects](#)

If you think just identifying potential risks associated with a project is enough for its successful execution, you may end up with a huge setback. The right approach would be to have a proper risk response strategy and a plan to implement risk responses. Join us for our FREE on demand webinar on Project Risk Response Strategies and get a thorough understanding of the different types of risks, how to eliminate uncertainty, how to transfer ownership and/or liability to a third party, how to reduce the severity of risk, how to identify risks along with opportunities, and much more. This on demand instructor-led learning session will cover all the major tools and techniques of project risk management supported with real-time case studies. (NetCom Learning)
