

Planning for the Future: Transatlantic Cooperation in SMRs Workshop

DECEMBER 7-8, 2022 | BRUSSELS, BELGIUM

Devon Swezey

*Senior Lead, Global Energy Markets and Policy
Google*

Devon Swezey is Senior Lead for Global Energy Markets and Policy at Google, where he supports Google's efforts to operate on 24/7 Carbon-free energy across the globe. He was lead author of Google's recently published Policy Roadmap for 24/7 Carbon-free Energy. Prior to joining Google, Devon developed utility scale solar PV projects at First Solar.

Devon began his career at the Breakthrough Institute, a climate and energy policy think tank, where he led research on economic and energy policy topics. Devon earned his masters degree in international economics from Johns Hopkins School of Advanced International Studies (SAIS) and a bachelor's degree in international relations from Stanford University.
