

**Starnes E. Walker, PhD**  
**Member, Homeland Security Experts Group**

Dr. Starnes Walker serves as a Member-Homeland Security Experts Group under the auspices of MITRE Corporation. Walker now serves as a standing Member supporting the Office of the Director of National Intelligence (ODNI) Board and earlier as Member-Air Force Studies Board representing The National Academies. Walker holds current appointments on the Canadian Nuclear Laboratories Science Advisory Board for the Canadian Government and as Senior Advisor to the National Nuclear Security Administration's National Security Campus.

Earlier appointments included Founding Director of the University of Delaware Cybersecurity Initiative focusing on corporate cybersecurity and critical infrastructure, Chief Technology Officer and Technical Director for cyber for the U.S. Navy (SES billet standing up the U.S. Fleet Cyber Command/U.S. 10th Fleet), Executive Director-Office Naval Research, and senior SES standing-up DTRA for OSD/DoD.

Walker holds a bachelor's/master's/doctorate degree in physics from the University of California and an honorary degree in nuclear engineering from the UofMO-Rolla.
