What are the gaps?

- ♥ Accessible and affordable palliative care.
- ♥ Education and public awareness.
- ♥ Lack of integrated and person-centred palliative care.
- ♥ Late identification of palliative needs.

The process

IDENTIFICATION OF CHALLENGES

Consultation with health and professionals.

IDENTIFICATION OF BARRIERS AND ENABLERS

Survey to 26 stakeholders from 17 EU countries.

VALIDATION

Workshop in the European and Economic Social Committee in Brussels.
Attended by 22 EU stakeholders.

DISSEMINATION

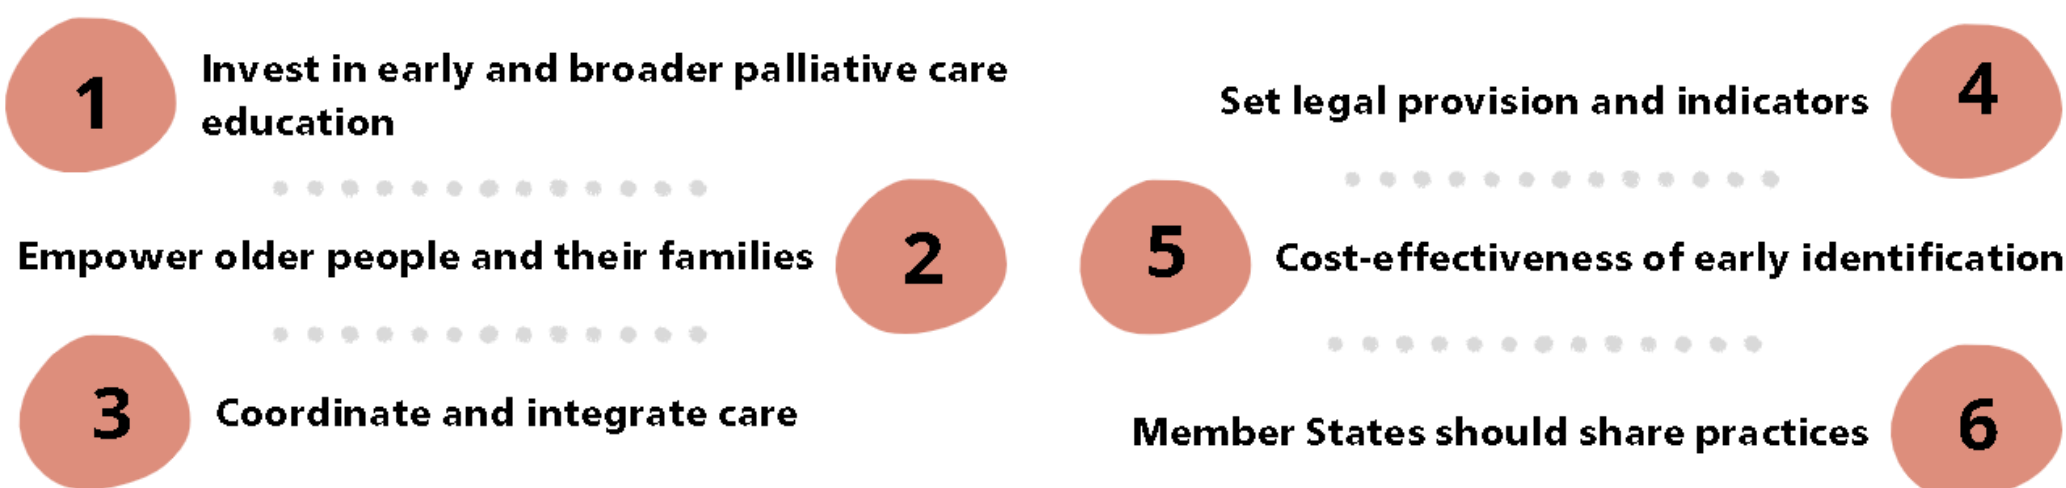

Policy makers at EU institutions and at national level.

We deserve to live in dignity whatever our age, until we die, including during the last years of our lives

The Policy Recommendations

This project has received funding from the European Union's Horizon 2020 research and innovation programme (call H2020-SC1-2018) under the Grant Agreement 825750
