

INSTRUCTIONS for E-POSTERS

Also, you can include a short-**PRERECORDED** video stored at **YOUTUBE** or **VIMEO**

(Uploading an e-poster is **MANDATORY**, but not the accompanying video)

Electronic poster (e-poster) presentation **will be available online only**.

LIVE 3 min presentation of e-poster

- A **FLASH TALK** will be pitched with max. three pptx slides.
- Only authors who signed in (**Highlighted green in the program**).

Deadline

- The deadline for submission of E-poster and flash presentations is by **December 7, 2022, 16:00 h, CET** (no exception).
- File name: Presenter's surname and poster number following the program.

E-poster Format (PORTRAIT orientation)

- **Optional** template provided (.pptx file in attach)
- A well-constructed poster must be brief, clear, and concise.
- File format: **PDF** (one page only)
- Font size: minimum 16 points

Follow the instructions below for guidance.

- To accept an e-poster submission into the virtual conference you must be a registered delegate in full stand. (**USE THE SAME E-MAIL AS IN THE REGISTRATION!!**)
- Provide clear headings.
- Video/Audio formats supported: .mov, .mp4, .mpeg, .avi
- File size: maximum 20 MBs
- For supplemental information, we recommend including it in a QR code.

Submit your e-poster onto the **Poster Upload Form** located in the link below:
<https://isfsi2022.vfairs.com/backend/index.php/job/poster-upload>

***NOTE. Once the form has been submitted it cannot be re-submitted again.**

Specs: They may look tiny at the first impression. Since the e-posters are going to get presented digitally, the pixel-based dimensions are relevant. Make sure that the quality of the e-poster stays sharp when using the zooming gesture.

Here are some hints about the Poster Upload Form:

- Handout PDF

- Is a place if you want to upload some additional/supporting pdf document regarding the poster itself
- Poster PDF
 - It's the poster itself, and would also be a pdf document
- Poster Description
 - Any textual description you want to add regarding the poster topic
- Poster Thumbnail
 - It's a thumbnail image of the poster
 - This could be the image of the poster also
 - It should be in JPEG or PNG format and should be of 300x300 pixels

Reference figure of how the poster will look into the virtual environment.
