Instructions to Oral Presenters

On behalf of the General Committee, we are very grateful to you for having submitted a paper to MULCOPIIM 2022.

We would like to bring your attention to the following points regarding your oral presentation:

1. Be at the room 15 minutes before the actual session commences, so that you can introduce yourself to the session Chairman.
2. It is very important to respect the time slot associated to your presentation. Each speaker has been granted with a time slot of 20 minutes (15-16 minutes for the presentation and the remaining time for questions and discussion). The session Chairman will rigorously enforce these time limits.
4. A video projector, as well as a computer (with Windows 10 as operative system), will be available in the conference room. With the support of on-site personnel, you would be requested to copy the file of your presentation using a USB memory stick.

Thank you again for your cooperation,
