Submitted abstracts will undergo review by the scientific committee and will be scheduled for presentation at EPF 2025 only if accepted by the reviewers. Scheduling notifications will be sent to the submitting author on April 1, 2025.

Format of Presentation

Accepted abstracts will be presented as oral presentation or as poster presentations. In case your oral presentation is not accepted, you will be given the opportunity to present a poster instead.

Journal Polymer

A special issue of the journal Polymer is dedicated to the European Polymer Congress EPF2025. Conference attendees are encouraged to submit papers to this special issue of Polymer. Please refer to <https://www.sciencedirect.com/journal/polymer/special-issues>

All the submissions deemed suitable to be sent for peer review will be reviewed by at least two independent reviewers. Upon its editorial acceptance, your article will go into production immediately. It will be published in the latest regular issue, while be presented on the specific Special Issue webpage simultaneously. In regular issues, Special Issue articles will be clearly marked and branded.
