◆ Welcome ◆

Dear colleagues,

We are delighted to invite you to join us in London on April the 15th and the 16th to celebrate Adult Congenital Heart Disease.

We will be holding 3 meetings in one, namely the EuroACHD 2024: the 15th European meeting on Adult Congenital Heart Disease, London ACHD 2024: the 13th Advanced Symposium on ACHD and the 2024 ACHD Academy at a wonderful Venue (Royal College of Physicians) and an excellent, inclusive, and international faculty and a rather interactive, topical scientific Programme not to miss.

Bring your difficult ACHD case along, you will be given priority in presenting and encourage your young colleagues to submit their abstract/s, tempting prizes for the 3 top finalists in place.

We hope that you and your colleagues can make it for what is anticipated to be the CHD event of the year and we look forward to welcoming you back in London in 2024!

Professor Michael A. Gatzoulis, *Chairperson of the ESC WG ACHD*

Assistant Professor Margarita Brida, *Chairperson Elect of the ESC WG ACHD*

Professor Gerhard Diller, *Past Chairperson of the ESC WG ACHD*

Professor Jamil Aboulhosen
