### Young Radiologists' Travel Grants for CIRSE 2023

The Rolf W. Guenther Foundation for Radiological Sciences is sponsoring the attendance of young European radiologists at the CIRSE Congress 2023.

Applications are invited from European residents or fellows in Diagnostic and Interventional Radiology for 10 Travel Grants, each worth € 500, to attend the CIRSE Congress in Copenhagen (DK) from September 9-13, 2023.

#### Conditions for application:

The applicant should be:

1. a radiology resident/fellow from Europe,
2. under the age of 35,
3. the presenting author of a paper or poster accepted for presentation at the CIRSE Congress 2023.
4. The grant of € 500 is to be used to cover travel expenses and housing.

#### Applications should include:

1. The completed application form (see next page).
2. A supporting letter of recommendation from the head of the applicant's department.

Applications should be submitted to the CIRSE office **until June 15, 2023** (23:59 CEST) by email to: [scientific@cirse.org](mailto:scientific@cirse.org)

A jury will review the applications and decide on the winners. All applicants will be notified of acceptance or denial in June, 2023.
