June 5-8 | 2019 | Helsinki | Finland
Welcome to Helsinki

“ONE STEP AHEAD - TAILORED SURGERY FOR WOMEN”

We are honored and pleased to organize the Third Nordic Congress on Gynaecological Endoscopy in Helsinki together with great colleagues of the Nordic and the Dutch Societies of Gynaecological Endoscopy. Sharing a similar way of thinking about the surgical treatment of women has been the basis of fruitful discussions about the topics of this congress.

Hopefully our 46 invited speakers from all over the world will provide an interesting programme. You will find abstracts of lectures as well as presentation of speakers on our website (www.ncge2019.fi). In addition, the Finnish Society of Gynaecological Surgery has put great effort to organize pre-congress hands-on simulations on hysteroscopy and laparoscopy together with attractive lectures about “Imaging in Gynaecology” and “LH step-by-step”. Apart from the main programme, the simulations will be held at the Training Center of the Women’s Hospital of the Helsinki University Hospital. The venue, Scandic Marina Congress Center is situated in the center of the city in the South Harbor area of Helsinki. We also invite you to take part in our social programme to relax, and to meet old new friends. We are convinced that the combination of the state-of-the art science, nice colleagues, together with the light summer days and nights will create an unforgettable experience.

We are looking forward to meeting you in Helsinki!

Päivi Härkki and the Finnish Society of Gynaecological Surgery (the local organizing committee)
## Overview of the programme

### Wednesday 5.6.2019

**www.ncge2019.fi**

**Bus transfer from Scandic Grand Marina at 18:45**
Workshops

**Wednesday 5.6.2019**

10.00-12.00  **LH step by step for trainees**  [Europaea]
Martin Rudnicki, Denmark and Jon Einarsson Iceland/USA
at Marina Congress Center

9.00-12.00  **Hysteroscopic hands-on training** (Sponsored by Storz)
at Helsinki University Hospital

9.00-12.00  **Laparoscopic hands-on training - basic course**
(Sponsored by Applied) at Helsinki University Hospital

12.00-13.00  **LUNCH**

13.00-15.00  **TLH step by step for specialists**  [Europaea]
Martin Rudnicki, Denmark and Jon Einarsson Iceland/USA
at Marina Congress Center

13.00-16.00  **Current imaging techniques in gynaecology**  [Nautica]
at Marina Congress Center
Chairs Päivi Härkki and Paul van Kesteren

13.00-13.30  Pelvic imaging by CT and MRI
Hannastina Hasan, radiologist, Finland

13.30-14.00  Imaging of endometriosis
Kirsi Joronen, Finland

14.00-14.30  Imaging of adenomyosis
Margit Dueholm, Denmark

14.30-15.00  Ultrasound imaging in pelvic floor disorders
Sissel Oversand; Norway

15.00-15.30  IOTA methods to characterize adnexal masses as benign
or malignant
Lil Valentin, Lund, Sweden

15.30-16.00  New and promising imaging technologies in gynecology
Paul van Kesteren, The Netherlands

13.00-16.00  **Hysteroscopic hands-on training** (Sponsored by Storz)
at Helsinki University Hospital

13.00-16.00  **Laparoscopic hands-on training-advanced course**
(Sponsored by Applied) at Helsinki University Hospital

**Transportation between Marina Congress Center and Helsinki University Hospital for workshop participants:**
From Marina Congress Center to Helsinki University Hospital:
at 08:15 and at 12:05
From Helsinki University Hospital to Marina Congress Center:
at 12:30 and at 16:15

**NOTE!** Lunch for workshop participants is served at Helsinki University Hospital, except for participants attending workshops only at Marina Congress Center. For these delegates, lunch is provided at the venue.
## Programme

### Thursday 6.6.2019

**8.45-10.00 OPENING AND KEY NOTE LECTURES**  
**[Europaea]**  
Chair Päivi Härkki
- 8.50  Future of gynecologic surgery  
  Jon Einarsson, Iceland/USA  
- 9.30  Neuropelveology: A new approach to pelvic pain and dysfunction?  
  Axel Forman, Denmark

**10.00-10.30 COFFEE/TEA AND EXHIBITION**

**10.30-12.00 A. PROLAPSE**  
**[Europaea]**  
Chairs Jyrki Jalkanen and Bjarne Kristensen
- 10.30  Overview of prolapse surgery and meshes  
  Tomi Mikkola, Finland  
- 11.00  Vaginal approach to apical support without mesh  
  Huub van der Vaart, Netherlands  
- 11.25  Robotic-assisted laparoscopic approach to apical support without mesh  
  Martin Rudnicki, Denmark  
- 11.50  Effect of prolapse surgery on Quality of Life (FINPOP-study)  
  Nina Mattsson, Finland

**10.30-12.00 B. HYSTEROSCOPY**  
**[Fennia I]**  
Chairs Ewa Jokinen and Juha Mäkinen
- 10.30  New developments in hysteroscopy  
  Mark Hans Emmanuel, The Netherlands  
- 11.10  Rise and fall of Essure  
  Sebastian Veersema, The Netherlands  
- 11.30  Treatment of retained products of conception  
  Espen Berner, Norway

**12.00-13.30 LUNCH AND EXHIBITION**

**13.30-14.30 VIDEOS**  
**[Europaea]**  
Chairs Pia Suvitie and Nina Mattsson
- 13.30  Sven Becker: Basics for the difficult laparoscopic hysterectomies  
- 13.30  Jörg Keckstein: Laparoscopic treatment of endometrioma and ureteral endometriosis

**14.30-15.00 NSGE GENERAL ASSEMBLY**  
**[Europaea]**

**15.00-15.30 COFFEE/TEA AND EXHIBITION**

**15.30-17.30 A. DEEP ENDOMETRIOSIS**  
**[Europaea]**  
Chairs Päivi Härkki and Paul van Kesteren
- 15.30  Do doctors and patient speak the same language in deep endometriosis?  
  Jeroen Metzemaekers, The Netherlands  
- 15.50  Overview of medical and surgical treatment of bowel endometriosis  
  Jörg Keckstein, Austria  
- 16.30  Surgical removal of endometriosis in sacral nerves  
  Mikkel Seyer-Hansen, Denmark  
- 17.00  Deep endometriosis and fertility  
  Charles Chapron, France

**15.30-17.30 B. ROBOTIC SURGERY**  
**[Fennia I]**  
Chairs Marja-Liisa Eloranta and Pétur Reynisson
- 15.30  Training in robotic surgery  
  Henrik Falconer, Sweden  
- 16.00  Robotic surgery in benign indications  
  Celine Lönnerfors, Sweden  
- 16.40  Complex hysterectomies: LH vs RLH  
  Martin Rudnicki, Denmark  
- 17.10  Ergonomics in robotic surgery  
  Torur Dalsgaard, Denmark
Programme

Friday 7.6.2019

8.00-8.30 MORNING SYMPOSIUM [Nautica]
(Sponsored by Hologic/Normedi)
Hysteroscopy and Thermal Ablation in the office
Francis Gardner, United Kingdom

8.30-10.00 LIVE SURGERY [Europaea]
Chairs Jyrki Jalkanen and Martin Rudnicki
Hysterectomy of a big uterus and pelvic anatomy
Sven Becker, Germany

10.00-10.30 COFFEE/TEA AND EXHIBITION

10.30-12.00 A. VIDEOS [Europaea]
Chairs Pia Suvitie and Marit Lieng
Andreas Thurkow: Laparoscopic myomectomies, tips and tricks
Judith Huirne: Laparoscopic treatment of isthmic niche
Jon Einarsson: Laparoscopic management of adnexal masses,
ovarian remnant, sacrocervicopexy

10.30-12.00 B. INNOVATIONS [Fennia I]
Chairs Kari Nieminen and Jan Persson
10.30 Tissue engineering: stem cells in prolapse and incontinence
treatment, Kirsu Kuismanen, Finland
11.00 Augmented reality in surgery, an update
Hans Brölmann, The Netherlands
11.30 How to reduce hazardous implementation of new technologies in
MIS, Frank Willem Jansen, The Netherlands

12.00-13.30 LUNCH AND EXHIBITION

12.30-13.00 LUNCH SYMPOSIUM [Europaea]
(Sponsored by Intuitive)
How to Discharge a Gynaecologic Robotic Patient the Same Day
Gaby Moawad, USA

13.30-15.00 A. FIBROIDS [Europaea]
Chairs Jaana Männistö and Juha Mäkinen
13.30 Pathogenesis of fibroids, Paul van Kesteren, The Netherlands
13.50 Fibroids and fertility perspectives, Pia Suvitie, Finland
14.10 Conservative treatment of fibroids, Charlotte Møller, Denmark
14.30 Surgical options in the treatment of fibroids: when and how?
Andreas Thurkow, The Netherlands

13.30-15.00 B. FREE COMMUNICATIONS [Fennia I]
Chairs Nina Mattsson and Marit Lieng
Miriam Hanstede, The Netherlands
2. Asherman syndrome (AS) after long term use of a levonorgestrel containing IUD, cause or coincidence?
Jan Malenboer, The Netherlands
3. Combined endometrial resection and Levonorgestrel device treatment for heavy menstrual bleeding compared to transcervical resection. Pernille Haahr, Denmark
4. Association of cesarean scar defect with bleeding disorders; the results of a prospective study. Riitta Antila-Långsjö, Finland
5. Reproductive Outcome Following Ovarian Torsion. Amid Freud, Israel
7. Video: Laparoscopic pelvic anatomy and sacrocolpopexy. Ignacio Miranda-Mendoza, Chile
8. Video: Bladder endometriosis nodule: De novo versus C-section scar implantation. Ignacio Miranda-Mendoza, Chile

15.00-15.30 COFFEE/TEA AND EXHIBITION

15.30-17.30 A. CANCER [Europaea]
Chairs Riitta Koivisto-Korander and Celine Lönnerfors
15.30 The impact of Minimally-invasive surgery in cervical cancer – Result from the Danish Gynecological Cancer database and attest literature
Tine Schnack, Denmark
16.15 Sentinel node in endometrial cancer, Jan Persson, Sweden
16.45 Do we still need lymphadenectomy in ovarian cancer?
Jalid Sehouli, Germany

15.30-17.30 B. ISTHMIC NICHE [Fennia I]
Chairs Päivi Härkki and Paul van Kesteren
15.30 Symptoms and diagnosis of niche, Robert De Leeuw, The Netherlands
16.00 Laparoscopic niche resections and its indications and outcomes
Judith Huirne, The Netherlands
16.40 Hysteroscopic niche resection, Judith Huirne, The Netherlands
17.00 Niche pregnancies, Norah Van Mello, The Netherlands
Programme

Saturday 8.6.2019

8.00-8.30  MORNING SYMPOSIUM  [Nautica]
(Sponsored by Olympus)
Nerves in gynecological surgery
Andreas Putz, Germany

8.30-10.00  A. GYNAECOLOGICAL ANOMALIES  [Europaea]
Chairs Päivi Härkki and Charlotte Møller
8.30  Classification and hysteroscopic treatment of uterine anomalies
Kirsten Hald, Norway
8.50  Robotically assisted laparoscopic treatment of uterine anomalies
Pétur Reynisson, Iceland/Sweden
9.10  Vaginal aplasia: introduction and conservative treatment
Elina Holopainen, Finland
9.30  Vaginal aplasia: surgical treatment
Sara Brucker, Germany

8.50-10.00  B. FREE COMMUNICATIONS  [Fennia I]
Chairs Juha Mäkinen and Kari Nieminen
1. Hysterectomy for benign indications provides benefit in health-related quality of life: A ten-year follow-up study
Päivi Rahkola-Soisalo, Finland
2. The effect of laparoscopic hysterectomy-module in virtual reality simulator on residents' first laparoscopic hysterectomy.
Ewa Jokinen, Finland
3. Fertility after conservative and operative treatment of rectovaginal endometriosis: a retrospective study. Anni Tuominen, Finland
4. Discoid excision and colorectal segmental resection in symptomatic patients with deep endometriosis.
Ignacio Miranda-Mendoza, Chile
5. Video: Myomectomy, barbed suture, and bag morcellation.
Ignacio Miranda-Mendoza, Chile
Ignacio Miranda-Mendoza, Chile
7. Video: Hysteroscopic metroplasty in a complete septate uterus with duplicated cervix.
Ignacio Miranda-Mendoza, Chile

10.30-12.00  A. TISSUE EXTRACTION  [Europaea]
Chairs Marja-Liisa Eloranta and Bjarne Kristensen
10.30  Tips and trick of tissue extraction, Jon Einarsson, Iceland/USA
11.15  Morcellation with or without a bag, Espen Berner, Norway

10.30-12.00  B. TRAINING  [Fennia I]
Chairs Ewa Jokinen and Juha Mäkinen
10.30  Nordic residents’ opinion on surgical training
Emilia Holmström, Finland
10.50  Finnish gynaecological surgery training programme
Reita Nyberg and Ewa Jokinen, Finland
11.30  Training Minimally Invasive Surgery for residents in the Netherlands: the reverse effect, Frank Willem Jansen, The Netherlands

12.00-13.00  LUNCH AND EXHIBITION

13.00-14.30  COMPLICATIONS  [Europaea]
Chairs Riitta Koivisto-Korander and Celine Lönnerfors
13.00  Laparoscopic complications and videos, Sven Becker, Germany
13.30  Diagnosis and repair of gastrointestinal injuries
Piia Pulkkinen, gastrosurgeon, Finland
13.50  Diagnosis and repair of urological injuries
Harry Nisén, urologist, Finland
14.10  Complications of prolapse surgery (FINPOP-study)
Olga Wihersaari, Finland

14.30-14.45  PRIZES AND FAREWELL  [Europaea]

14.45-15.15  GENERAL ASSEMBLY OF THE FINNISH SOCIETY FOR GYNAECOLOGICAL SURGERY
Congress venue

MARINA CONGRESS CENTER
Katajanokanlaituri 6
00160 Helsinki
Tel. +358 9 166 61

SPONSORS AND EXHIBITORS

Gold Sponsor
INTUITIVE

Silver Sponsors
Normedi/Hologic

Olympus

Bronze Sponsor
Gedeon Richter

7.6. at 12.30-13.00 Lunch symposium [Europaea]
Congress lunch can be taken to lecture hall
How to Discharge a Gynaecologic Robotic Patient
the same Day, Gaby Moawad, USA

7.6. at 8.00-8.30 Morning Symposium [Nautica]
Light breakfast is served
Hysteroscopy and Therma Ablation in the office
Francis Gardner, United Kingdom

8.6. at 8.00-8.30 Morning Symposium [Nautica]
Coffee, tea, juice and fruits are served
Nerves in gynecological surgery
Andreas Putz, Germany

7.6. at 12.30-13.00 Lunch symposium [Europaea]
Congress lunch can be taken to lecture hall
How to Discharge a Gynaecologic Robotic Patient
the same Day, Gaby Moawad, USA

7.6. at 8.00-8.30 Morning Symposium [Nautica]
Light breakfast is served
Hysteroscopy and Therma Ablation in the office
Francis Gardner, United Kingdom

8.6. at 8.00-8.30 Morning Symposium [Nautica]
Coffee, tea, juice and fruits are served
Nerves in gynecological surgery
Andreas Putz, Germany

EXHIBITION OPENING HOURS
Wednesday, June 5th 18:00-21:00
Thursday, June 6th 08:00-17:30
Friday, June 7th 08:00-17:30
Saturday, June 8th 08:00-13:00

ABSTRACTS
Please see the Congress web site www.ncge2019.fi for abstracts and speakers.
General information

REGISTRATION
Congress materials are distributed to all registered participants at the congress venue Marina Congress Center. From the registration desk you will receive your Certificate of attendance, tickets to the events you have pre-registered for and your name badge. The desk is open as follows:

- Wednesday, June 5th 08:00-18:00
- Thursday, June 6th 08:00-18:00
- Friday, June 7th 08:00-18:00
- Saturday, June 8th 08:00-14:00

The Registration and Information desk is located in the lobby of Marina Congress Center, 1st floor.

NAME BADGES
Wearing your personal name badge is compulsory in order to attend all sessions and other activities of the congress, including lunches and coffee breaks at Marina Congress Center.

LUNCH AND COFFEE
Lunch for all registered delegates is included in the registration fee and is served in the 1st floor Exhibition area. If you have notified the organizers of a special diet when pre-registering to the congress, please contact the restaurant staff for your meal. Coffee and tea will be served free of charge in the 1st floor Exhibition and Poster area during the coffee breaks marked in the programme.

INTERNET ACCESS
Marina Congress Center has free WiFi. Choose scandic_easy on your mobile device and log in using your name and phone number. The same WiFi is available both in hotel Scandic Grand Marina and at the congress venue.

SMOKING
Smoking is prohibited inside Marina Congress Center but possible e.g. outside at the 2nd floor terrace.

More than technology
Dedicated to providing the education and training that makes robotics work for you

Date/Time | Title |
--- | --- |
June 7, 2019 12:00 – 12:30 PM | How to Discharge a Gynaecologic Robotic Patient the Same Day |

Speaker
Gaby Moawad, MD, FACOG
Associate Professor of Obstetrics and Gynecology, Director of GYN Robotic Surgery, The George Washington University School of Medicine and Health Sciences

The da Vinci Si®, da Vinci Xi® and da Vinci X® surgical systems are class 2b medical devices CE marked (CE 0543) under the European Medical Devices Directive and manufactured by Intuitive Surgical, Inc. Refer to Instructions for use before use.

Saturday, 8 June
08.00 - 08.30, Hall Nautica

NERVES IN GYNECOLOGICAL SURGERY
by Andreas Putz, MD

Head of the Department of Gynaecology and Obstetrics
Center for Endometriosis and Neuropelveology
Sacred-Heart Hospital, Germany

Served with coffee, tea, juice and fruits

Social Programme
The Get Together is included in full registration fees for delegates who have chosen it when registering. Tickets for the Morning Run and Congress Dinner will be included in the congress material of delegates who have booked them when pre-registering to these events.

Wednesday, June 5th, Get Together
Time: 18:00-21:00
Venue: Marina Congress Center, 1st floor exhibition area
Tickets: included in all full registrations
A relaxed evening with a light buffet and live music.

Thursday, June 6th, Speakers’ Dinner
Time: 19:00-23:00 (ferry transport at 19:00)
Venue: Suomenlinna Fortress Island
Tickets: invitation only
M/S Katarina will depart from Helsinki Market Square at 19:00 and will take you back by 23:00. The streets on the island are paved with cobblestone and there is a short walk from the pier to the dinner venue Tenalji von Fersen so comfortable footwear is recommended.

Friday, June 7th
Morning Charity Run/Walk
Time: 7:00-7:30
Start and end: hotel Scandic Grand Marina
Tickets: EUR 20 (funds donated to the Finnish Foundation of Obstetrics and Gynaecology as grants for research)
We will gather in the lobby of the hotel at 6:45 and start the run/walk at 7:00. Pacemaker Pekka Ylitalo.

Congress Dinner
Time: 19:00-01:00
Venue: Restaurant Saaristo, Klippan island
Tickets: EUR 50 (tickets available at the Registration Desk in case of cancellations)
The beautiful Restaurant Saaristo is located on Klippan island, 5 min. boat trip from the main land. Bus transportation to the boat pier will leave from hotel Scandic Grand Marina at 18:45. No return bus transfer.
ICEBERG reviews the evidence on etiology, diagnostics and therapeutic options and guides you systematically through 8 prevalent topics: uterine fibroids; adenomyosis; endometriosis; ovarian pathology; uterine niches; Asherman’s syndrome; surgical techniques and imaging.

ICEBERG is the preferred platform to present your research in specially designed ‘podium’ sessions and share surgical videos with high educational content.

You will leave ICEBERG with a state of the art, practical and thoroughly updated FRESH mind.

Endoscopy in Gynaecology: exciting and constantly evolving. But what do we really know? Do we offer evidence-based care to our patients? What is known and where should we be heading?
