

Evidence-based Nutrition Practice Guidelines (EBNPG): a Targeted Approach to Interventions

Ms Mary Russell

Academy of Nutrition and Dietetics (United States)

Mary Russell, MS, RDN, LDN, FAND, is a Medical Science Liaison, U.S. Nutrition Medical Affairs, at Baxter Healthcare and a lecturer at the Chicago Medical School. Previously, she was director of the department of clinical nutrition at the University of Chicago Medical Center and the director of nutrition services at Duke University Hospital, where she had been served for nearly 10 years as an adult nutrition support team dietitian clinician.

She is president of the Academy of Nutrition and Dietetics through May 2019 and a Fellow of the Academy of Nutrition and Dietetics.

She is a past member of the Academy House of Delegates and the Academy Foundation's Board; past chair of the Dietitians in Nutrition Support dietetic practice group; and past president of the North Carolina Dietetic Association. She has authored journal articles and book chapters, and has spoken nationally and internationally on nutrition support and on ethics.

She earned a bachelor of science in Medical Technology from Marquette University and master of science in Nutritional Sciences from the University of Wisconsin-Madison.
