

Food Intolerance Seminar - A practical seminar for dietitians

Dr Anne Swain, Royal Prince Alfred Hospital Allergy Unit (Australia)

Dr Anne Swain is the Head Dietitian of the Allergy Unit at the Royal Prince Alfred Hospital in Sydney for over 35 years.

Anne completed a PhD on 'The role of natural salicylates in food intolerance' at the University of Sydney, and is recognised as a leading expert in the field of food intolerance and food allergy, both in Australia and overseas.

Anne is a University lecturer and mentor to students and graduated dietitians.

Anne is co-author with Dr Loblay and Dr Soutter of the RPAH Elimination Diet Handbook, RPAH Challenge, Liberalising and Management Handbook and the food intolerance recipe book Friendly Food.

Anne has contributed to the development of policy and protocols for food allergy and food intolerance, for NSW Health, FSANZ and other professional organisations. Anne is also involved in research, education programmes and scientific publications.

She is a member of the ASCIA dietitians and paediatric committees, Nutrition Society of Australia, as well as an inaugural member of the International Network for Diet and Nutrition in Allergy's (INDANA) steering committee.
