patents • trade marks • copyright

When cause begins to have an effect,

We'll be right beside you.

At Spoor & Fisher we specialise in all aspects of intellectual property law, including trade marks, copyright, patents, registered designs, anti-counterfeiting, commercial transactions involving intellectual property, and litigation in these fields.

For over 100 years we have been trusted by Universities and Science Councils to protect, manage and enforce their intellectual property across Africa and the Caribbean.

Contact us on +27 12 676 1111 or info@spoor.com for more information.

create it. own it.
