Visa Requirements

It is the sole responsibility of the attendee to fulfil visa requirements. Attendees who require an entry visa must allow sufficient time for the application procedure. Attendees should contact the nearest embassy or consulate to determine the appropriate timing of their visa applications. The UNITE Global Summit organizers will not directly contact embassies or consulates on behalf of visa applicants.

Hotel Reservation

Accommodation is not included in the registration fee and is to be organized by the attendees themselves. The organizer will not assist with hotel booking of participants. Booking, changes or cancellations must be made with the hotels directly.

Name Badge

Name badges must be worn at all times during the UNITE Global Summit. Access to the venue will not be granted without a valid name badge. If an attendee loses, misplaces or forgets the name badge, a new name badge will be handed out on-site only. The lost badge is then no longer valid.
