

## Dr Andre du Plessis

Pretoria, South Africa

---

Dr Andre du Plessis

Education: Having matriculated in 1994 from the Afrikaanse Hoër Seunskool in Pretoria, André obtained his MBChB (cum Laude) at the University of Stellenbosch in 2000.

This was followed by a MMed Rad Diagnostic at the University of Pretoria as well as FC RAD Diag (SA) for which he was awarded the Josse Kaye Medal for distinguished performance.

Career: In 2010, André joined Scholtz & Partners Diagnostic Radiologists, a multi-provincial practise. During this time, he developed a keen interest in cardiac imaging (CT and MRI). Apart from clinical radiology, he is also involved in research projects with regards to cardiac MRI.

He currently serves on the Cardiac Imaging Society of South Africa (subcommittee of RSSA), as well as Pan-African Society of Cardiology (PASCAR) Imaging Taskforce (Vice Chair).
