

Ms Sonja Boiteaux

United States

Ms. Sonja K. Boiteaux completed her certificates as a radiographer and MR technologist in Florida, USA. Then she received her undergraduate degree from University of Nebraska Medical Center and her graduate degree in radiologic science education from Midwestern State University. Sony was the 2020 recipient of the ISMRT Crues Kressel award and is the current ISMRT Past President. She has passionately worked as an MR educator at the college and university level for more than 20 years, and is presently launching her own company.
