

Orthodontic Clinical Excellence Network
Craniofacial Society of Great Britain & Ireland

Orthodontic Clinical Excellence Network of the Craniofacial Society of Great Britain & Ireland Meeting

**Craniofacial Conference CEN Day Fairclough and Rolls Suite - Manchester
Wednesday 17th April, 2024 - 09:00-17:00**

Aim of the meeting

To improve quality of care through orthodontic treatment for patients born with cleft lip and/or palate through shared learning/working of the national network of orthodontists

Objectives of the meeting

- Business meeting – update on issues relevant to national orthodontic cleft care
- Enhancing understanding of the dental needs of cleft patients
- Reviewing data from national audits and learning from the outcomes
- Presentation and discussion of complex cases

Learning content

Sharing learning from clinical cases and provision of orthodontic cleft care in units across the UK through presentations and clinical audit

Development Outcomes

This CPD course meets the criteria for the GDCs development outcomes B & C

Attendance at this meeting will provide 6 hours of eCPD

16:30 Meeting Close

Special Message from Melanie Bowden - President of the CFSGBI

Join us at Exhibition Bar for an unforgettable drinks reception as part of the Craniofacial Society Conference. Upon arrival, choose from a glass of fizz, a refreshing beer, or a non-alcoholic drink, all on us. After that, enjoy a limited selection of drinks from the bar. Once the bar tab runs out you have the option to purchase an extensive range of drinks, including excellent cocktails.

With a DJ, glitter ball, and exclusive access to the bar area from 5.30 to 7.30pm, it's the perfect way to unwind after the CEN Day.

Stick around for the evening and explore the venue's offerings, including a restaurant for those craving a bite!

Date of next meeting: Autumn Virtual Meeting (TBC)
