CONFERENCE & EXHIBITION

NEAR SURFACE GEOSCIENCE '19

25TH European Meeting of Environmental and Engineering Geophysics

Join us in The Hague for the 25th European Meeting of Environmental and Engineering Geophysics. You will be able to enjoy a technical programme covering the traditional as well as emerging topics and technologies including, but not being limited to, borehole geophysics, mining geophysics, CO₂ sequestration, and machine learning.

1ST Conference on Geophysics for Geothermal-Energy Utilization and Renewable-Energy Storage

The First Conference on Geophysics for Geothermal Energy-Utilization and Renewable-Energy Storage brings together professionals from academia, service companies, operators, and energy companies, dedicated to geophysical solutions for a 'global' efficient utilization of the subsurface.

1ST Conference on Geophysics for Infrastructure Planning, Monitoring and BIM

The First Conference on Geophysics for Infrastructure Planning, Monitoring and BIM aims to provide a platform for academia, governmental institutions and industry to address the challenges related to engineered infrastructure. State-of-the-art geophysical methods will be presented that highlight their use before, during and after construction of these structures.

#NSG2019

Welcome to the Near Surface Geoscience Conference & Exhibition 2019

ABOUT THE EVENT

We welcome you to The Hague, a vibrant coastal city where the King lives and the Dutch government resides. The Hague is the right place to hold the 25th European Meeting of Environment and Engineering Geophysics, the 1st International Conference on Geophysics for Geothermal-Energy-Utilization and Renewable-Energy Storage, and the 1st International Conference on Geophysics for Infrastructure Planning, Monitoring and BIM. Each of these conferences will have its own scientific programme that is open to all registrants. This will give you the opportunity to benefit from all 3 conferences.

The scientific conference will consist of Workshops, Plenary talks, Oral and Poster presentations, and Field Trips. For five days, it will be the place where experts from government, industry, consultancy and academia come to share knowledge and experiences and discuss all aspects from present operations, emerging technologies, to future needs.

SOCIAL PROGRAMME

Welcome Reception

Monday 10 September, 17:10 – 19:00

Meet with exhibitors, catch up with your colleagues and increase your network, all while you enjoy our delicious selection of food and drinks.

Conference Evening

Tuesday 11 September, 19:30 – 23:30

All registered full delegates are invited to a most delightful evening filled with hospitality, great local food, entertainment, and networking in a spectacular location in The Hague!

EU PUBLIC AFFAIRS PROGRAMME

Once again, during NSG2019, EAGE's EU Public Affairs Department will be hosting a series of activities, to connect our attendees with the right resources, people and institutions to get the most out of the EU. Join us for our Brokerage Cocktail, come by and learn all about our Smart Exploration Project, Horizon 2020, and the future of our work in Europe.

SPONSORING OPPORTUNITIES

To heighten your brand awareness, Near Surface Geoscience 2019 offers a wide variety of sponsoring opportunities. As a sponsor, you will have dedicated exposure at the event. If you are interested in sponsoring this event, please refer to the event website or contact us at: exhibition@eage.org.

EXHIBITION PROGRAMME

Near Surface Geoscience 2019 will include the ever-popular, centrally located exhibition. It will be held in one large area, to enable networking, where catering is provided. The exhibition is on the same level and in the middle of the technical programme. Key international companies from the Near Surface Geoscience industry will present their latest developments, newest technologies and innovative services.

Besides the exhibition, Near Surface Geoscience 2019 offers a wide variety of sponsoring opportunities. As a sponsor, you will have dedicated exposure at the event. If you are interested in participating at this event as an exhibitor or sponsor, please refer to the EAGE website or contact us at exhibition@eage.org.
