GENERAL INFORMATION

EAGE

The European Association of Geoscientists and Engineers (EAGE) is a global professional, non-profit association for geoscientists and engineers with 19.000 members worldwide. The objective is to collect and distribute technical knowledge. EAGE organizes events and publishes a monthly magazine for its members and 5 scientific journals. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and mineral exploration, civil engineering, tunneling and environmental matters. EAGE's head office is located in the Netherlands with regional offices in Moscow, Dubai, Kuala Lumpur and Bogota.

ABOUT THE WORKSHOP

EAGE is pleased to invite you to the 3rd Petroleum Geochemistry Workshop in the Middle East. The workshop will be held in Muscat, Oman from 21-23 September 2020.

Building on the success of the two previous Workshops on Petroleum Geochemistry in Operations & Production in 2016 and 2018, EAGE kindly invites you to the third session in this series, scheduled to take place in Muscat (Oman) for the fourth week in September 2020.

In contrast to the first two workshops mainly dedicated to special topics, here an “open” workshop will take place allowing contributions from the great variety of petroleum geochemistry and related fields.

The intention is to provide a forum for operators, contractors and academics from the geoscience community to share developments, ideas, case studies, successes and lessons learned, in any and all aspects of petroleum geochemistry upstream and downstream, but also about environmental issues.

The 3-day workshop will consist of a 1-day field trip followed by a 2-day technical programme discussing the latest developments and achievements in the field of petroleum geochemistry.

SPONSORING OPPORTUNITIES

With an array of unique promotional opportunities, we can help you design the perfect programme to enhance your company's experience at the 3rd EAGE Geochemistry Workshop. The Main Sponsor Programme exposes attendees and businesses to your company and promotes your presence within the industry.

EAGE strives to realize recognition, long term exposure, benefits and publicity for companies that sponsor EAGE workshops.

WHY BECOME A SPONSOR

When you are a corporate sponsor you get high visibility in a qualitative and uncluttered environment that makes your message stand out. EAGE is synonymous with quality, with proven track records in the past. The Workshop programme offers a diverse menu that will help you reach your target audience.

Sponsoring will enable you to:

- Increase your visibility to a national, regional and international audience
- Enhance your corporate image
- Reach an influential and exclusive audience
- Break through the media clutter
- Associate your company with EAGE – World's truly multi-disciplinary geosciences society

Please note that sponsoring opportunities are not restricted to packages in this guide. We would be delighted to explore ideas to fit your budget.
