

IPS Scotland Branch Conference Safety and Sustainability

P&J Live, Aberdeen

29 August 2024

ips Infection Prevention
Society

Dear Colleague,

On behalf of the Infection Prevention Society Scotland Branch, it gives us great pleasure to invite you to join us for our annual conference at P&J Live, Aberdeen, on 29th August 2024.

This will be one of the largest infection prevention and control exhibitions in Scotland in 2024, and it is expected to attract 150 delegates. A comprehensive programme will be available shortly, but our conference organising committee recognise the changing and challenging landscape of infection prevention and control within health and social care. Our talks this year are based around the themes of Safety and Sustainability, and will include sessions on surgical site infection, IPC recommendations for high volume cataract surgery, 'water free' patient care, the Scottish National Green Theatres Programme, priorities for research in infection prevention and control, and developments in transmission-based precautions.

Our industry partners are crucial to the success of this event so we can all come together to provide everyone with an excellent environment in which to further build relations, learn more about products and services, exchange ideas concerning products and technologies and ensure that collaboratively Scotland continues to lead the way!

We very much hope you can join us in Aberdeen!

Cathy Lee, Branch Coordinator

Karen Wares, Country Lead

Paul Weaving, Education Officer

Why should you exhibit?

IPS Scotland Branch provides an excellent platform for businesses to showcase their products and services to front-line professionals within the field of infection prevention and control.

There are numerous benefits from exhibiting at this prestigious event:

- Large one day audience of infection prevention and control professionals
- Generate quality leads from practitioners who are passionate about learning and improving their facilities
- Discuss needs of your clients, as well as potential clients, and demonstrate your company's solutions in person
- Condensed exhibition hours ensure a steady flow of traffic. Coffee breaks and lunch take place in the exhibition hall bringing all attendees together
- Build visibility for your company and promote your company's image in an educational setting
- Test out new products and services at customer level
- Expand your database to strengthen your overall sales and marketing programme
- Build relationships with an active and engaged audience
- Gain valuable customer feedback

Delegate Profile

- Infection prevention practitioners
- Tissue viability nurses
- Critical care nurses
- Domestic managers
- GPs
