

## EHA Embargo form

This embargo form is part of the registration process and needs to be completed, scanned, and sent to [communication@ehaweb.org](mailto:communication@ehaweb.org), together with a photocopy of official press credentials, a letter of assignment from the media organization being represented, two by-lined medical/health/science articles published within the last six months, and/or coverage from the previous year's meeting (if applicable).

Any media outlet or press representative intending to apply for free press registration must accept the present EHA Media and Embargo Policy, which is summarized below.

Embargoed materials, as well as results and information related to sessions at any meeting or Congress organized by EHA, are strictly confidential, and cannot be disclosed in any manner or for any purpose prior to the lifting of the embargo by EHA.

### Embargo for EHA2024 HYBRID CONGRESS

Organizations, such as news outlets, companies, and media, issuing press releases are required to abide by the embargo and confidentiality policies governing the EHA2024 HYBRID Congress.

The information contained in the abstracts is embargoed until the abstracts are made available online by EHA. All accepted regular abstracts are embargoed until Tuesday, May 14, 2024; 16:00 CEST (late-breaking abstracts are embargoed until June 3, 2024; 16:00 CEST). On this date and time, they will be published on the EHA website.

Coverage of information that goes beyond what is contained in the abstract (e.g. additional analysis, commentary, or updated information from those individuals and companies involved in the study) is embargoed according to the following criteria:

- **For Plenary Abstracts Session presentations:** The embargo is lifted at the start of the Plenary Abstracts Session; Saturday, June 15, 2024; 14:45 CEST, unless the abstract is part of an official EHA Press briefing in which the embargo lifts on the date and time of the Press Briefing (if earlier),
- **For oral presentations:** The embargo is lifted on Friday, June 14, 2024; 09:00 CEST
- **For (e)poster presentations:** The embargo is lifted at the moment the poster area at the Congress Center opens and/or the e-posters are published on the virtual congress platform; in this case, Friday, June 14, 2024, 09:00 CEST.
- **For Late-Breaking oral presentations:** The embargo is lifted at the start of the Late-Breaking Oral Session; Sunday, June 16, 2024, 09:45 CEST, unless the abstract is part of an official EHA Press Briefing in which case the embargo lifts on the date and time of the Press Briefing (if earlier).
- **For publication-only abstracts:** The embargo is lifted when the abstract is first made publicly available on Tuesday, May 14, 2024; 16:00 CEST. These abstracts are not presented during the EHA Congress.
  - **For press abstracts:** The embargo is lifted at the start of the EHA Press Briefing (date and time to be confirmed).

This embargo policy covers all abstracts accepted as part of the EHA2024 Hybrid Congress, regardless of the source from which the information is obtained. Third parties are obliged to abide by the Congress Embargo Policy. Should an embargo be broken, both the third party and the person involved will be held responsible and liable.

EHA reserves the right to bar any representative who fails to adhere to these policies or who misuses his/her media privileges to engage in activities other than journalistic pursuits from this and future meetings.

By signing this form, I confirm that I understand and agree to comply with the EHA Media and Embargo policy.
