

Magnetism 2023

3–4 April 2023

University of Manchester, UK

Exhibition &
Sponsorship

iop.org

IOP Institute of Physics

Magnetism 2023 is the premier conference organised by the UK and RoI magnetism community. A mixture of invited talks and submitted contributions will allow the breadth of magnetism research in the UK and RoI to be presented. Participation from outside UK/RoI and from industry is also encouraged. The conference encourages participation from across the breadth of magnetism and has included oral sessions on a range of subjects including:

Spintronics, 2D physics, domain walls, dynamics, vortices, skyrmions and topological systems, intelligent computing, spin ice, biological and organic magnetism, superconductors, magnetocalorics and ab initio theory.

The conference will be held in-person at the University of Manchester on April 3–4, 2023, with the option for online streaming of the talks to a virtual audience. The event follows the highly successful in-person conferences that have been held annually since 2014, the online versions held in 2020 and 2021 and the hybrid conference York in 2022.

Exhibition

A two-day table-top exhibition will be held alongside Magnetism 2023. The exhibition is a great opportunity for you to meet with conference participants, discuss your latest developments and techniques, and promote your products and services.

Attendees at the conference would be interested in meeting representatives in the following fields:

- Manufacturers or agents providing equipment associated with magnetism, vacuum science and nanotechnology.
- Publishers working in the scientific community companies.
- Employers of science graduates working in magnetism or related field.

Benefits to exhibitors

- Your representatives can mix informally with professionals from industry and academia in the UK and Ireland and further afield.
- Face-to-face contact with potential customers.
- Featured on the Magnetism 2023 conference website to increase visibility within the wider magnetism community.

Location

The table top exhibition will be held in The Drum in University Place, The University of Manchester. The exhibition will be located in the same space as refreshments, lunch and posters. A drinks reception will also be held in the exhibition area.

Exhibition package

Space is available as a table-top display and includes:

- Dedicated page on the conference website.
- Access to the conference programme.
- Lunch and refreshments for two exhibitor representatives for the duration of the exhibition.
- Virtual exhibition space.

Exhibitors will be able to set up on the morning of 3 April and set down in the afternoon of 4 April. Further information with addresses and exact timings will be sent closer to the event.

Rates

Space is limited and allocated strictly on a first-come, first-served basis. The cost to exhibit is as follows:

Booked before 19 February 2023	Booked from 20 February 2023
£550 + VAT	£650 + VAT

VAT is calculated at the current rate of 20%.

If the rate is altered as a result of government legislation, charges may be adjusted accordingly.

The Institute's VAT registration number is 461-6000-84.

Sponsorship

Companies are invited to sponsor this conference, adding your presence to the event and increasing your visibility in the community. We are offering a range of sponsorship packages. Sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

Benefits of sponsoring

- Promote your company name to participants prior to, during and after the conference – these include scientists and students who may benefit from using your products.
- Demonstrate your commitment to assisting the development of young researchers by subsidising their registration fees.
- Make connections – meet senior scientists within your industry, search for your next hire or start a conversation with a future business partner.
- Strengthen your visibility and profile and stand out from your competitors.

Platinum sponsor – £1000 + VAT*

- Acknowledged as a Platinum sponsor on the event website and materials.
- A table-top display in the exhibition, posters and catering area (together with complimentary registration for two representatives).
- Logo and website link on the conference website.
- One A4 insert in the conference bag (to be sent by sponsoring company).

Plus one of the following:

- **Option A:** Delegate bags – logo will be printed on the delegate bags (one colour print).
- **Option B:** Conference dinner sponsor on Monday 3 April 2023 (free admission for the representatives and acknowledgement on the programme).

Gold sponsor – £800 + VAT*

- Acknowledged as a Gold sponsor on the event website and materials.
- A table-top display in the exhibition, posters, and catering area (together with complimentary registration for two representatives).
- Logo and website link on the conference website.
- Full-page coloured advert on the electronic abstract book.

Plus one of the following:

- **Option C:** Lanyards – logo will be printed on the delegate badge lanyards (one colour print).
- **Option D:** Poster session sponsor (logo to appear on the poster numbers in the boards).
- **Option E:** Drinks reception sponsor during the poster session (acknowledged on the programme).

Silver sponsor – £500 + VAT*

- Acknowledged as a Silver sponsor on the event website and materials.
- One complimentary registration to the conference programme for one representative.
- Logo and website link on the conference website.
- Full-page coloured advert on the electronic abstract book.

* VAT is charged at the UK's prevailing rate, currently 20%.
