RENTAL CONDITIONS FOR AUDIOVISUAL EQUIPMENT

- The rental of audiovisuals includes the assembly of the contracted equipment, dismantling and technical assistance in the event of a breakdown. If you should require the presence of technical staff, this must be contracted separately.
- Members of technical staff do not handle or assemble third-party materials.
- Rented audiovisual equipment is to be used exclusively in the Valencia Conference Centre.
- If the number of hours or days the rented equipment is to be used is extended and this has not been requested beforehand, said extension must be ordered at least 24 hours in advance, and will be subject to Valencia Conference Centre capacity to render the service. Rental prices for extended services shall carry a surcharge of 25% on valid charges.
- If the items are damaged, lost or affected by any irregularities, the latter shall always be on account of the contracting party.
