

Third parties

As a general principle, we will not transfer your personal data to third parties without your permission but to process your registration we need to share with the following:

1. We share your information with the British Oncology Pharmacy Association who manage the BOPA website and your membership
2. We share your information with Centium Software who provide the EventsAIR software to process your registration
3. We share your information with FirstData to securely process credit or debit card payments you may make
4. We share your information with MailChimp who are used to administer email campaigns

We also have a small number of companies providing services to us. We use telephony services, which would get to see your phone number if we call you to respond to an enquiry, and a broadband supplier which could see your email address (but not the content of what you send us).
