

UKONS Privacy Policy

Administration of Membership and Registration

Privacy

- We keep to a minimum the information we hold about you
- We use your data to provide the UKONS services to you
- We only use a limited amount of [Cookies](#) to help us manage your membership and meeting registration
- We delete your data when it is no longer needed for these things
- We do not give your information to [third parties](#) we have not informed you of
- You have lots of [privacy rights](#) (See below for more details)
- We take security seriously
- We do not record calls
- We are happy to chat to you about how we process and protect your data

Who are we?

Media1 Productions is an event management and production company who act on behalf of “UKONS”, the UK Oncology Nursing Society for the management of the UKONS membership and meeting registrations.

We collect and process your personal information to administer membership, registrations, and to invite you to the UKONS annual conference and educational events.

We will email you annually to ensure that your details are accurate and up to date.

The registration site is separate to the [UKONS website](#).

What data we hold?

We will hold the following information about you:

- Data provided by you, including your name, address, email address
- Information about your specific interest areas
- Information in communications that you have sent to us
- If you have paid for registration, we will hold financial payment details including billing address

It is also important to point out that any cookies used do not identify you personally.

Using Your Information

We have to tell you what our lawful basis is for processing your data. Please see below.

Processing your data for purposes of administering your UKONS membership and UKONS meeting registrations

We use the information we hold about you to give you the best service we can.

Click [HERE](#) to view the membership benefits.

The legal basis for processing this data is for the performance of a contract and is necessary to deliver the service to you, to administer your UKONS meeting registration or UKONS membership and provide you with membership benefits such as relevant publications and information in the interest areas you told us about.

If you have given your consent, we will send you details of meetings and events in any interest area you have told us about and relevant details of UKONS.

Your data and the EEA

We do not transfer or process data outside the European Economic Area unless we have your specific consent or where the nature of the processing requires it.

Whenever we transfer your personal data out of the EEA, we ensure a similar degree of protection is afforded to it by ensuring at least one of the following safeguards is implemented:

- We will only transfer your personal data to countries that have been deemed to provide an adequate level of protection for personal data by the European Commission.
- We may use specific contracts approved by the European Commission which give personal data the same protection it has in Europe.
- Where we use providers based in the US, we may transfer data to them if they are part of the Privacy Shield which requires them to provide similar protection to personal data shared between the Europe and the US

Retention periods

We will process personal data for the duration of your membership and keep it for a period of 1 year thereafter, or ask us to delete it before this time - unless you owe a balance of funds. We do this so we can process your membership/registration and give data to the UKONS Committee as part of the membership/meeting services.

Third parties

As a general principle, we will not transfer your personal data to third parties without your permission, but to process your membership we need to share with the following:

1. We share your information with UKONS
2. We share your information with NexGen Healthcare Communications who manage the UKONS website
3. We share your information with Centium Software who provide the EventsAir software to process your record
4. We share your information with Data Cash to securely process credit or debit card payments you may make
5. We share your information with Mailchimp and Survey Monkey to send you emails and manage responses
6. We share your information with the Mark Allen Group, who send the *British Journal of Nursing* to UKONS members every quarter

We also have a small number of companies providing services to us. We use telephony services, which would get to see your phone number if we call you to respond to an enquiry, and a broadband supplier which could see your email address (but not the content of what you send us).

Your rights

You have lots of rights in respect of our processing of your personal data. The relevant rights are:

- Request a copy of your personal data and information about our processing of it
- Request that we delete information on you if we do not need to hold it
- Request that we correct any personal data that we hold on you
- Request that we stop processing your data, although we can still hold it
- Request that we move your data to another organisation's IT system electronically
- To withdraw any consents you have given us to process your data

If you want to exercise any of these rights, including withdrawing consent, please just contact us at UKONS@media1productions.co.uk.

You also have the right to lodge a complaint about our processing with a supervisory authority — you probably want the [UK's Information Commissioner's Office](#).

Technical security

All our laptops are full-disk encrypted, as are our phones and tablets. Our servers and desktop computers are protected by physical security.

The ability to log on to all these devices is restricted to members of staff, each having their own unique log on credentials.

Contact us

If you want to talk to us about privacy, please contact us by email on UKONS@media1productions.co.uk
