

NIVAS Annual General Meeting (AGM)

Thursday 25 February 2021

MEMBERS ONLY

Vision

That all healthcare professionals and service users will benefit from having access to current, evidenced based, best practice skills and knowledge in order to deliver and receive the highest standard of care in any setting provided by practitioners who have appropriate expertise in the practise of vascular access and infusion therapy.

Aims

- To promote excellence in infusion therapy and vascular access
- To encourage and provide opportunities for networking with other health care professionals involved with infusion therapy and vascular access
- To support all health care professionals working in infusion therapy and vascular access through education and research
- To influence infusion therapy and vascular access nationally and internationally

Our work

- To guide and influence national policy e.g. DH, NPSA, MHRA, NICE and other professional bodies regarding the care of patients receiving infusion therapies
- To work in partnership with other organisations to promote best practice within infusion therapy and vascular access within the UK
- To support our members learning and development in the field of IV therapy and vascular access

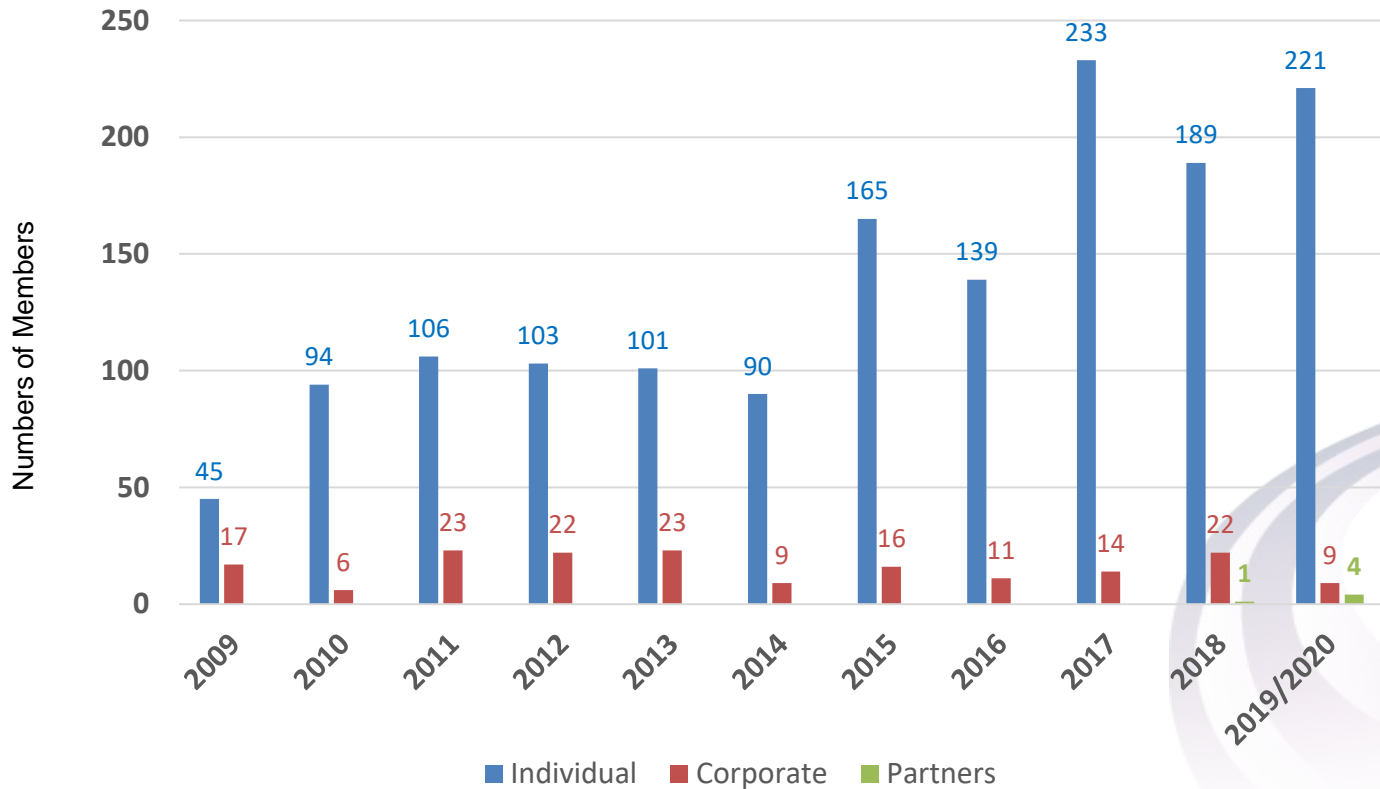

NIVAS representation

- Device related infection prevention (DRIP)
- MEDUSA Board – Injectable medicines guide
- BJN editorial
- Industry partner initiatives and workshops
- NHS Supply Chain
- NICE, NPSA, NHS Improvement

Working in partnership

- Infection Prevention Society – IPS
- National Nutritional Nurse Group – NNNG
- British Association of Parenteral and Enteral Nutrition – BAPEN
- British Association of Critical Care Nurses – BACCN
- Royal College of Nurses – RCN
- Injectable Medicines Guide - MEDUSA

Our Membership

Partners

Thank you to our NIVAS Corporate Partners

BD

Corporate Members

For our Members

- To facilitate communication with NIVAS members through appropriate media e.g. social media, website, conference and by providing network opportunities
- To garner opinion, share innovative and expert practice and evaluate topical issues
- Ask our Board or the membership their opinion
- Facilitate education and learning

The 8th NIVAS Conference

‘Keeping patients safe in vascular access in 2020’

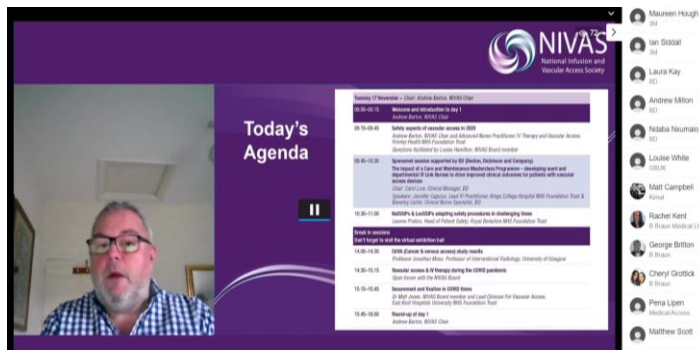

17 & 18 November 2020

Virtual Conference
FREE to Members

“Great speakers and well organised. My first virtual conference and really enjoyed it.”

“Excellent virtual conference, great agenda that felt relevant and could be taken forward into clinical practice.”

“Looking forward to the next conference already. It was so well organised. Thoroughly enjoyed it.”

The 9th NIVAS Conference

Due to the COVID-19 pandemic, the NIVAS Board have taken the decision to move the face-to-face conference in June to a virtual conference later in the year.

The banner features a purple background with a pattern of white and light purple circles. On the left is the NIVAS logo, a stylized swirl in shades of blue and purple. To the right of the logo, the text reads: 'NIVAS National Infusion and Vascular Access Society'. Below this, it says 'SAVE THE DATE'. To the right of a vertical dashed line, the text reads: 'The 9th NIVAS Conference Restoring and resetting IV practice in 2021 21-22 September 2021 A VIRTUAL CONFERENCE'.

DATE FOR YOUR DIARY

The 10th NIVAS Conference

Birmingham Events & Conference Centre
Tuesday 28th & Wednesday 29th June 2022

IV Supplement in BJN

- Free to members ever quarter
- NIVAS are part of the editorial board
- Need authors and articles
- Board members can support new authors
- For research and comment pieces

A message from the Chair

Dear NIVAS Members,

I hope you all managed to get some rest over the Christmas holidays. I know how busy its been with the recent increased activity due to COVID 19. I hope you have all stayed safe and well. As you know, 2020 was a very challenging year and the value of you and your vascular access teams should not be underestimated. Our clinical speciality has come into its own during this pandemic and
