

Coming 3rd International SAR WS 2024 in Japan

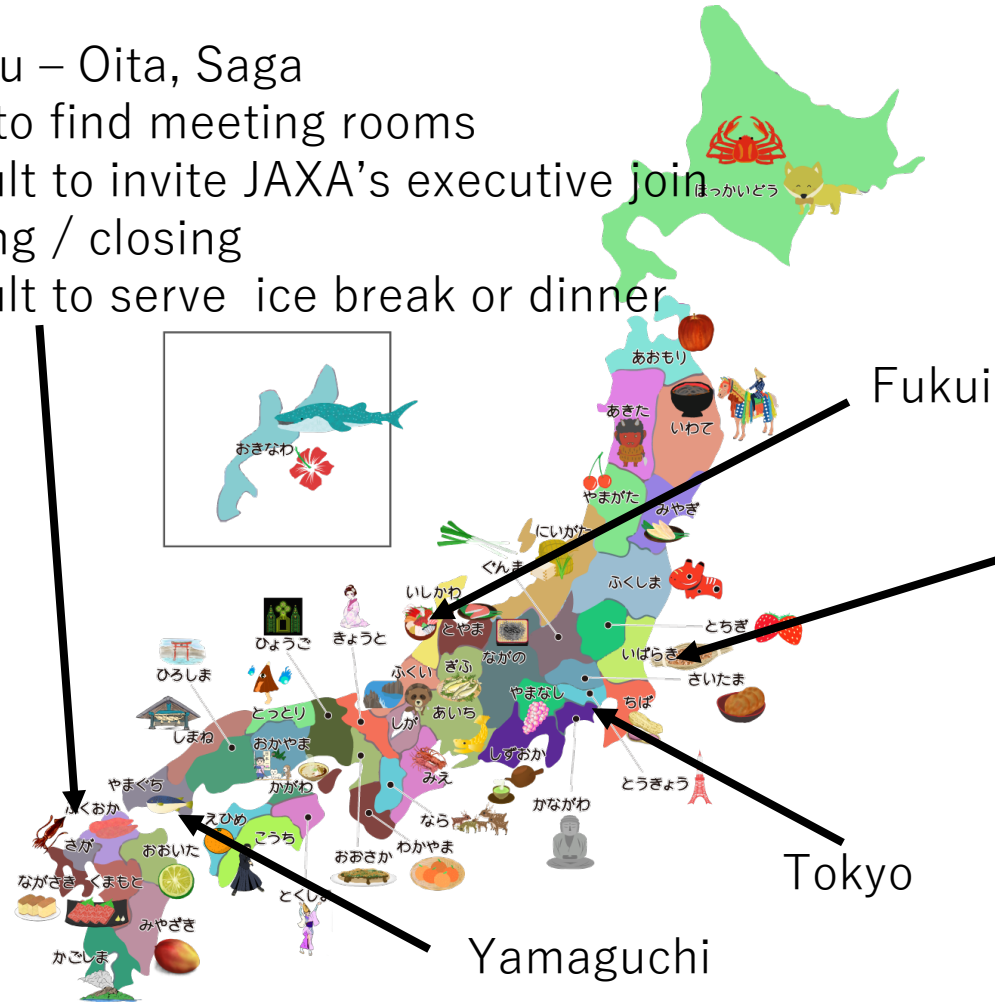

- 1) Timing: Jan – Mar (NISAR / ALOS-4 launch and intimal C/O?) or Sep – Nov (many international conference?)
- 2) Location: Tsukuba Space center or others

Kyushu – Oita, Saga

Need to find meeting rooms

Difficult to invite JAXA's executive join opening / closing

Difficult to serve ice break or dinner

Tsukuba Space Center: 50km North and one hour by Train from Tokyo

Enough meeting rooms
Can ask executive join opening / closing
May have a host ice break or dinner
