- Sports' Concussion
- Other

Presentation Formats Available

- Oral Presentation
- ePoster Presentation

Abstract Format

- Abstract Title - The title should clearly identify the contents of the abstract. Please enter your abstract title in sentence case, i.e. capitalise only the first letter of the title and then any proper names or acronyms. A maximum of 20 words is permitted.
- Abstract Text - Your abstract should be divided into: Introduction, Methodology, Results and Conclusions. This is important for the review process. A maximum of 300 words is permitted.
- Language - Authors should ensure that the abstract is written in acceptable, standard English. Authors whose native language is not English are urged to have an English-speaking colleague review the abstract before sending it.

NeuroTrauma 2024

INTS 2024 · CAMBRIDGE · UNITED KINGDOM

2024 meeting of the International
NeuroTrauma Society

2 – 5 SEPTEMBER 2024 · CAMBRIDGE, UK

Assessment process

- All submitted contributions will be peer-reviewed by an expert panel.
- Different oral sessions will be arranged based on the scientific quality of the contributions and the number of abstracts submitted on each topic.
- Those abstracts not selected for oral presentation may be offered an ePoster and would then be placed in a suitable poster session.
- Authors will be notified of the review outcome by email by **22 April 2024**.
- All presenting authors must register and pay to attend the Conference by **8 July 2024**. Acceptance of abstracts for inclusion in the programme is dependent upon receipt of registration. Authors not registered by this date will have their abstract withdrawn from the programme.
