

**OREF/Shimomura International Society of Orthopaedic Surgery & Traumatology
(SICOT)
TRAVEL AWARDS**

Award Objective

The Orthopaedic Research and Education Foundation (OREF) and SICOT solicit proposals for travel awards in the amount of \$1000 to defray the cost of attending the SICOT 41st World Congress in Budapest, Hungary on September 15 – 18, 2021. It will be a hybrid meeting – both in-person and online.

Application Requirements

- Current Membership in SICOT
- Submission in writing of the following:
 - a. Specific travel objective
 - b. A global objective for future research
 - c. Letter of reference from:
 1. The research supervisor familiar with the applicant's research interest.
 2. Department Chair guaranteeing support for leave of absence during the duration of the meeting.
 3. A brief CV or NIH-style biosketch limited to 5-pages.

Application Procedure

The proposal must be single-spaced. Prepare the application using Arial typeface in black font color. The font size must be 11 points. Minimum margins must be 1/2 inch for left and right, and 1 inch for top and bottom.

The travel objective and the global research objective responses are limited to **500** words **each**. These sections are not to exceed these limitations. Submissions failing to follow the instructions may not be considered.

An independent selection committee convened by OREF will determine the Award Recipients. The awards will be announced in July. All submissions must be submitted electronically through ProposalCENTRAL.

All applications are due on June 2, 2021

Notification of Award: July 6, 2021
