

Guidelines for workshop submissions

- Submit your workshop proposal as an abstract of maximum 300 words.
- Abstracts will be peer-reviewed and published in the proceedings.
- The expected time for a workshop is 90 minutes.
- Workshops need to be hands-on sessions where participants are actively involved in doing the activities that you provide for them. Usually, these activities will be done in groups, consisting of 3-5 participants. There should also be ample time for discussion.
- If you have used ideas from other sources, it is essential to acknowledge these sources.
- Include
 - Target audience.
 - Motivation for the workshop: Why is this workshop important and how will it help participants?
 - Description of content of workshop: What will be done in the workshop?
