SAPC 2023 Conference Programme: Thursday 16th March:

08:00 – 09:00	Registration and welcome refreshments
09:00 – 09:15	**Fry Room** Introduction and welcome Tom Marshall, University of Birmingham
09:15 – 10:00	**Fry Room** Keynote Presentation Professor Dame Helen Stokes-Lampard, University of Birmingham

10:00 – 11:00	**Breakout 1 - Fry Room**	**Breakout 2 - Pevsner**	**Breakout 3 - Composers**
	10:00 – 10:15: 1.1: Manbinder Sidhu, University of Birmingham – In person *Acute hospitals managing general practice services: a qualitative rapid evaluation of staff and patient experiences of care delivery and provision as part of a vertically integrated mode* (10 min + 5 Q&A) 10:15 – 10:30: 1.2: Helen Atherton, University of Warwick- In person *GP Access Systems - A Scoping Review* (10 min + 5 Q&A) - 10:30 – 10:45: 1.3: Elle Lüchau, University of Southern Denmark- In person *Making sense of technology: Use and non-use of doctor-patient video consultations in Danish general practice* (10 min + 5 Q&A)	10:00 – 10:15: 2.1: Anuradhaa Subramanian, University of Birmingham - In person *High levels of under-reporting and ethnicity-related differences in recording a diagnosis of polycystic ovary syndrome in UK primary care 1995-2019* (10 min + 5 Q&A) - 10:15 – 10:30: 2.2: Becky MacGregor, University of Warwick- In person *Community Care for Stillbirth and Second Trimester Miscarriage Patient and Public Engagement* (5 min + 10 Q&A) 10:30 – 10:45:2.3: Jeremy Leslie-Spinks, University of Oxford - In person *STRONG MAGIC -- THE DANCE OF LIFE* (10 min + 5 Q&A) 10.45 – 11.00:	10:00 – 10:15: 3.1: Samantha Hornsey, University of Southampton - Virtual *Parents' Experiences and Perceptions of Help Seeking for Common Infant Symptoms: A Qualitative Interview Study* (5 min + 10 Q&A) 10:15 – 10:30: 3.2: Clare Macdonald, University of Birmingham- In person *How GPs see their role in postnatal care, and why it matters* (10 min + 5 Q&A) 10:30 – 10:45: 3.3: Sarah Hillman, University of Warwick- In person The GP's Role in Improving Care for Women with Anal Incontinence due to Childbirth Injury (10 min + 5 Q&A)

	10.45 – 11.00: 1.4: Elizabeth Lovegrove, University of Southampton- Virtually *Does a practice-level educational intervention improve the timely assessment of adults with shingles? Cluster randomised trial with nested qualitative (*10 min + 5 Q&A)	2.4: Nicole Abel, Cardiff University- In person *Patient engagement to develop resources to support social prescribing in Wales* (10 min + 5 Q&A)	
11:00 – 11:30	Refreshment break		
11:30 – 13:00	**Breakout 4 - Fry Room** 11:30 – 11:45: 4.1: Harry Ahmed, Cardiff University - In person *Antibiotic treatment for respiratory tract infection and risk of bleeding in anticoagulant users: cohort study* (10 min + 5 Q&A) 11:45 – 12:00: 4.2: Anuradhaa Subramanian, University of Birmingham - In person *Symptoms and risk factors for long COVID in non-hospitalized adults* (10 min + 5 Q&A) 12:00 – 12:15: 4.3: Christopher Wilcox, University of Southampton- Virtual *Views on the feasibility of a placebo-controlled trial of antibiotics for possible urinary tract infections in care homes: a qualitative interview study* (5 min + 10 Q&A) 12:15 – 12:30: 4.4: Merlin Willcox, University of Southampton - Virtual *Exploring the feasibility of running a Chinese Herbal Medicine randomised clinical trial to combat antibiotic resistance in the COPD*	**Breakout 5 - Pevsner** 11:30 – 11:45: 5.1: Miriam Santer, University of Southampton - In person *Developing Acne Care Online: early insights from the development process of a digital behaviour change intervention to support effective treatment of acne in young people* (10 min + 5 Q&A) 11:45 – 12:00: 5.2: Kate Greenwell, University of Southampton - In person *"Eczema shouldn't control you; you should control eczema": qualitative process evaluation of online behavioural interventions to support young people and parents/carers of children with eczema* (10 min + 5 Q&A) 12:00 – 12:15: 5.3: Mary Steele, University of Southampton- - In person *Patient and Public Involvement in the development of an online intervention for young people with acne: novel approaches to reach underserved groups* (10 min + 5 Q&A)	**Breakout 6 – Composers** 11:30 – 11:45: 6.1: Catherine Grimley, University of Warwick - In person *Accessing bereavement support – lessons for primary care: A secondary analysis of UK Commission on Bereavement (UKCB) evidence* (10 min + 10 Q&A) 11:45 – 12:00: 6.2: Adam Geraghty, University of Southampton - In person *Developing an inclusive approach to multidimensional assessment of people with mental health symptoms in UK primary care: A qualitative study and community outreach approach* (10 min + 5 Q&A) 12:00 – 12:15: 6.3: Stuart Spicer, University of Plymouth- - In person *Exploring the relationship between socio-economic inequality and overprescribing of opioids and antidepressants* (10 min + 5 Q&A)

	12:15 – 12:30: 5.4: Taeko Becque, University of Southampton - Virtual *Quantitative process evaluation of online behavioural interventions to support young people with eczema and parents/carers of children with eczema* (10 min + 5 Q&A) 12:30 – 12:45: 5.5: Shamil Haroon, University of Birmingham - In person *Risk factors for asthma-related hospital and intensive care admissions in children, adolescents, and adults: a cohort study using primary and secondary care data* (10 min + 5 Q&A) 12:45 – 13:00: 5.6: Rhian Cockwell, Cardiff University - In person *Diagnosing Urinary Tract Infections in Children Under 2 Years: Effectiveness of Urine Sample Strategies* (10 min + 5 Q&A)	12:15 – 12:30: 6.4: Jo Parsons, University of Warwick - In person *How do patients with a mental health diagnosis interact with online services at the general practice? A qualitative study* (10 min + 5 Q&A) 12:30 – 12:45: 6.5: Clare R Goyder, University of Oxford - In person *'It was a mixture of relief, of knowing that something was wrong and despair'- a qualitative exploration of the journey to heart failure diagnosis* (10 min + 5 Q&A)

population in UK Primary Care – the EXCALIBUR feasibility trial (5 min + 10 Q&A)

13:00 – 14:00	Lunch and **In-person poster presentations**	**Virtual poster presentations**	
		Pevsner Posters: V-01, V-02, V-03	**Composers** Posters: V-04, V-05, V-06
14:00 – 15:30	**Breakout 7 - Fry Room** 14:00 – 14:15: 7.1: Daniel Chen, University of Oxford - In person *Uptake of Covid-19 vaccines in the immunocompromised population – A cohort study of over half a million individuals in the UK* (10 min + 5 Q&A)	**Breakout 8 – Pevsner** 14:00 – 14:15: 8.1: Jennifer Cooper, University of Birmingham-- In person *Prevalence and socio-demographic variation of physical and mental health conditions in 12 million English primary care records* (5 min + 10 Q&A)	**Breakout 9 - Composer** 14:00 – 14:15: 9.1: Nicky Thomas, University of Warwick - In person *What are the Perspectives of Using general practice to Support the Health of parents of children and young people with*

14:15 – 14:30: 7.2: Paul Little, University of Southampton - In person *Molnupiravir for early COVID-19 treatment in primary care: PANORAMIC platform trial* (10 min + 5 Q&A) 14:30 – 14:45: 7.3: Kate Lifford, Cardiff University - In person *Satisfaction with remote GP consultations during the COVID-19 pandemic: a population survey of UK adults* (10 min + 5 Q&A) 14:45 – 15:00: 7.4: Børge Norberg, Nse/ Ntnu - In person *GPs' experiences with potentials and pitfalls of video consultations: Qualitative analysis of free-text survey answers among regular GPs in Norway during pandemic lockdown* (10 min + 5 Q&A) 15:00 – 15:15: 7.5: Emma Copland, University of Oxford - In person *Safety of COVID-19 vaccination in people with blood cancer and immunocompromised groups* (10 min + 5 Q&A) 15:15 – 15:30: 7.6: Rosina Cross, University of Exeter - Virtual *Impact of the COVID-19 Pandemic on Rural Dispensing Practices in England* (10 min + 5 Q&A)	14:15 – 14:30: 8.2: Lyvia De Dumsat, University of Birmingham -Virtual *Trends in UK primary care clinical workload 2005-2019* (5 min + 10 Q&A) 14:30 – 14:45: 8.3: Rachel Winder, University of Exeter - Virtual *Di-Facto patient survey: Digital facilitation to support patient access to online services in primary care* (10 min + 5 Q&A) 14:45 – 15:00: 8.4: Sinéad McDonagh, University of Exeter- Virtual *Understanding measurement of postural hypotension: a nationwide survey of primary care practice in England* (10 min + 5 Q&A) 15:00 – 15:15: 8.5: Neil Cockburn, University of Birmingham - In person *The trends in the incidence and prevalence of 281 common conditions* (10 min + 5 Q&A) 15:15 – 15:30: 8.6: Marta Wanat, University of Oxford – Virtual *Managing asthma in the context of COVID-19 pandemic: a qualitative longitudinal study with patients* (10 min + 5 Q&A)	*intellectual disabilities? A qualitative study. (The PUSH study)* (10 min + 5 Q&A) 14:15 – 14:30: 9.2: Zakia Shariff, University of Warwick - In person *Visualising and understanding post discharge management of older people in general practice* (10 min + 5 Q&A) 14:30 – 14:45: 9.3: Lucy Frost, University of Oxford - In person *Navigating the system: The role of primary care in supporting patient experiences following unexpected hospital admissions* (5 min + 10 Q&A) 14:45 – 15:00: 9.4: Zakia Shariff, University of Warwick- In person *Creating a patient experience film to convey experiences and emotions of older people and their carers' interaction with general practice following discharge from hospital* (10 min + 5 Q&A) 15:00 – 15:15: 9.5: Alison Porter, Swansea University- Virtual *'I put my whole life in his hands as I do not know English.' – a qualitative study of the use of interpreters for asylum seekers and refugees in primary and emergency health care consultations* (10 min + 5 Q&A) 15:15 – 15:30: 9.6: Tori Ford, University of Oxford - In person

			Patient Experiences with Managing Recurrent Vulvovaginal Thrush in Primary Care (5 min + 10 Q&A)
15:30 – 16:00	Refreshment break		
16:00 – 16:45	**Fry Room** Keynote Presentation Professor Aneez Esmail, University of Manchester		
17:00 – 18:00	**Pevsner** SW SAPC for the Digital Technologies special interest group meeting		
19:00 – 19:30	**Drinks Reception**		
19:30 – 23:30	**Dinner & Jim Wynn Swing Band: Birmingham's hippest swing band**		

SAPC 2023 Conference Programme: Friday 17th March

09.00 – 09.30	Registration and refreshments

09:30 – 10:15	**Fry Room** Keynote Presentation Professor Judith Smith, University of Birmingham

10:15 – 11:00	**Fry Room** Theatre workshop	**Virtual poster presentations**
		Pevsner Posters: V-07, V-08, V-09,V-10

11:00 – 11:30	Refreshment break

11:30 – 13:00	**Breakout 10 - Fry Room** 11:30 – 11:45: 10.1: Alexander d'Elia, University of Liverpool - In person *AI and Health Equity in Primary Care: A qualitative, inductive stakeholder exploration of how AI can be implemented in a manner beneficial for health equity* (10 min + 5 Q&A) 11:45 – 12:00: 10.2 Bethan Treadgold, University of Exeter- Virtual *How are staff and patients supported to access and use digital services in primary care? Interview study with stakeholders* (10 min + 5 Q&A) 12:00 – 12:15: 10.3: Maedeh Mansoubi, University of Exeter - In person	**Breakout 11 - Pevsner** 11:30 – 11:45: 11.1: Gary Abel, University of Exeter- Virtual *Understanding the diagnostic timeliness of cancer patients with pre-existing morbidities: What do different methodological approaches tell us?* (10 min + 5 Q&A) 11:45 – 12:00: 11.2: Luke Mounce, University of Exeter *Multimorbidity in patients with incident cancer* (10 min + 5 Q&A) - Virtual 12:00 – 12:15 11.3: Jennifer McIntosh, University of Melbourne - In person *SMARTscreen to SMARTERscreen: using a novel SMS with narrative communication to increase uptake of the National Bowel Cancer Screening*	**Breakout 12 – Composers** 11:30 – 11:45: 12.1: Leigh Sanyaolu, Cardiff University - In person *Comparing patients' and healthcare professionals' experiences and views on the management of recurrent UTIs: qualitative evidence synthesis and meta-ethnography* (10 min + 5 Q&A) 11:45 – 12:00: 12.2: Taeko Becque, University of Southampton - Virtual *Using microbiological data to improve the use of antibiotics for respiratory tract infections: an individual patient data meta-analysis* (5 min + 10 Q&A) 12:00 – 12:15 12.3: Kate King, Military General Practice-

	Accuracy, Feasibility, and acceptability of Mobile App-based Gait Assessment alongside perception at different speeds in primary care (5 min + 10 Q&A) 12:15 – 12:30: 10.4: Carol Bryce, University of Warwick - In person *The hidden work of engaging with online services: ethnographic case study on digital facilitation* (10 min + 5 Q&A) 12:30 – 12:45: 10.5: Ash Sexton, University of Warwick - In person *A mixed-methods evaluation of urgent care delivered through telephone based digital triage* (10 min + 5 Q&A)	*Program in Australia, learning from a pilot study* (10 min + 5 Q&A) 12:15 – 12:30: 11.4: Dilek Celik, University of Padova- Virtual *Breast and Gynaecological Cancer Risk in Women with Polycystic Ovary Syndrome: A Retrospective Matched Cohort Study* (10 min + 5 Q&A) 12:30 – 12:45: 11.5: Luke Mounce, University of Exeter- Virtual *The impact of anxiety or depression on early diagnosis of cancer – cohort study using linked electronic health records* (10 min + 5 Q&A)	*What is the effectiveness of brief interventions on changing alcohol use in young people? A systematic review* (5 min + 10 Q&A) 12:15 – 12:30: 12.4: Ellen Van Leeuwen, Ghent University - In person *GPs' views on discontinuation of long-term antidepressants: a systematic review and thematic synthesis* (10 min + 5 Q&A) 12:30 – 12:45: 12.5: Alex Gough, University of Birmingham - In person *Within-individual variation of HbA1c and FEV1: systematic reviews and cohort analyses from a primary care database* (5 min + 10 Q&A) 12.45 – 13.00: In person 12.6: Toby Holland, Military General Practice Developing Through Life Education for the Military General Practitioner
13:00 – 13:15	**<u>Fry Room</u>** Presentation of Prizes		
13:15 – 14:15	Lunch
